Statement of Purpose

The purpose of the Region 9 Assembly is the same as that of all OA service – to carry the OA message to the still suffering compulsive overeaters, wherever they live and whatever language they speak. In fulfilling our purpose, we should ever strive to achieve worldwide OA unity and common policies among all countries. With love and tolerance as our code, together we can do what we could never do alone.

Welcome Letter

Dear OA Member & Service Body Representative

Welcome to the 2013 Region 9 Assembly.
As a representative you will have the opportunity to meet & share with others from Region 9, take part in workshops and consider business motions that affect the Bylaws and Principles & Procedures of the Region, as well as the OA service structure as a whole.
We need to remember, when doing all forms of service, to carry the OA message of recovery. We will have a settling in session on the Wednesday evening of the Assembly where you can share your service bodies' triumphs or concerns - please consider anything you might like to bring to this session before you come. We will also have an Ask it Basket – in which you can ask anything you like about the program or service or service structure, etc – anonymously, if you like. We will try to answer these to the best of our ability.

Committees – Region 9
We have various committees at Region 9 Service level:-
- Translations & Literature
- Electronic Communications
- ByLaws
- Public Information (PI)
- Finance
- Twelfth-Step-Within (TSW)
Please consider the work of these committees before you come to the Assembly and start to think of which committee you can contribute to and be involved with during the coming year. Let's make our Region 9 an exciting place where we all reach out & help each other recover & have some fun doing it.

Region 9 Chair, Translations & Literature Committee Chair, and Twelfth-Step-Within Committee Chair
This year these positions will be considered for election. Many thanks to the outgoing officers, and to those who may continue on for another term, if reelected. Please think about the vacant positions before you come to Assembly, and consider whether you are the right person for one of these jobs. You can put an application in at any stage.

Bringing the Message Home
We are also obliged to report back to our service bodies the activities and details of workshops attended when we return home. This is all part of carrying the OA message.

Have fun and enjoy the Assembly.

Thank you for your service.

Susan

i) If a proposal gets stuck in discussion and/or more than two (2) amendments are proposed, the motion will be referred back the Ad Hoc Reference Committee session. This Committee will discuss the proposal and bring back a recommendation at the time allotted at the end of the business. The amended proposals will be submitted to the Secretary prior to discussion and voting,

j) Adopted Bylaw amendments take effect from the end of the current Assembly.

Chair’s Report to the 2013 Assembly

Dear OA Members, Service Body Representatives, Committee Chairs & Visitors,

Thank you to the Israeli National Service Board
Our hosts this year are the Israeli National Service Board and I would like to take this opportunity to thank them on all of our behalf. To organise an Assembly & Convention is a big challenge and there is a lot of hard work going on behind the scenes. Thank you all so much.

Region 9's Birthday
This year we continue celebrating the birth of Region 9 - 30 years! Be ready to celebrate together.

Welcome to first time Region 9 Representatives
I extend a very special welcome to our first time representatives. You green dots (first timers) will be assigned a mentor – someone who has been to Region 9 Assembly, and can guide you before, during, and after the assembly. Before the assembly, you will be notified with the name and email address of your mentor. Do be in contact with them. If you have any questions please do not hesitate to ask.

Region 9 Committees
At Region 9 level, we have 6 committees which we take part in during the Region 9 Assembly, and continue working on during the year. These committees are: Translations & Literature, Electronic Communications, Bylaws, Public Information, Finance, & Twelfth-Step-Within. Please take the time to decide which committee you would like to be a part of. Also, for you committee chairs, please come with an agenda for your committee session.

Motions
There are many bylaw amendments & new business motions. Please go over them before the assembly. It will save considerable time if you familiarize yourself with these motions. Any questions can be directed to the maker of the motion before the day of voting. Please refer to the charts (consent agenda & other motions) and the individual motions and explanations in sections O & P.

Contact of another country in Region 9 and attendance at Region 9 Assembly & WSBC
At R9 Assembly, we arrange for those present to contact another service body in the region that did not send a representative. One of the goals in our Strategic Plan is to improve the attendance at Region Assemblies and World Service Business Conference. This is so that we not only share the service but also share the recovery. Region 9's Twelfth-Step-Within committee coordinates the results of these contacts.

Translation List
This is found in the Assembly Materials Binder. It lists OA Literature which has been translated into different languages within Region 9. Please – this list can only be kept updated with your help. All additional information for the list – contact the R9 Translations & Literature Committee Chair.

Register of Service Bodies and attendance at Region 9 Assembly
This list can be found in section B. It shows how we are doing with attendance and representation at R9 Assembly over the years. Our outreach to countries within R9 has given us positive results.
Region 9 currently has 56 service bodies registered with WSO – of that number we had 25 representatives at the Region 9 Assembly last year, not including the R9 Board members. This is an increase from the year before. We had 8 delegates and 1 visitor, plus myself & Region 9 Treasurer attend WSBC 2013 – less than the year before.
Our numbers of representation at Region 9 A&C are increasing. At WSBC we want more R9 delegates participating. Our goal is to increase our number of representatives at R9 A&C, and also to increase our number of delegates at WSBC. Overall, our numbers are still impressive, considering the fact that these assemblies are held in English, which is not the mother tongue of most of our members.

Tent cards and OA Service
Has your service body downloaded and translated the tent cards from the R9 web site – Worldwide Service Structure, Strategic Plan & 7th Tradition. These are all located under the R9 Assembly section of the website.
**Region 9 Newsletter**
Our newsletter has continued to increase in size this year. We can read shares about Region 9 A&C, Service & Our R9 Committees, Unity, WSBC, Abstinence & Recovery, 30 Years For R9, and other topics. Anyone interested in contributing articles, contact the Newsletter Coordinator.

**Region 9 Tradition 7 Items**
This year at the Region 9 A&C, you will be able to see (and buy) the new R9 Wristband, along with the R9 Magnet. These were created as R9 Fundraisers, so please support R9 by purchasing these wristbands and magnets, and taking them back to your SB to sell.

**Region Chairs Committee (RCC)**
As you may be aware – one of the tasks as Chair is to represent our Region at the Region Chairs Committee (RCC) meetings. There are three of these in each calendar year.

- The 1st RCC Meeting was held during the week of the WSBC in Albuquerque in April/May this year. The purpose of this meeting was to finalize the forum (presented by the RCC during WSBC), meet with the BOT, hold RCC elections, and plan for the coming year. One of my reports was sent out through email. One was also posted on the region 9 website.
- The 2nd RCC Meeting was held towards the end of August during the World Service Convention in Cleveland, Ohio. This was with the RCC and the Board of Trustees (BOT). The main focus of these meetings is to work on the Strategic Plan (SOP). You should have received, by now, a report of these meetings.
- The 3rd RCC Meeting will be held the very end of September in Region 6 – in Albany, New York. This is held in a different region every year. The purpose here is to observe the assembly & convention of another region. I will also report back to you after this meeting.

The purpose of the RCC is to provide a channel of information and communication between members and the Board of Trustees through the regions and to provide a network for the purpose of sharing resources and solutions. We Region Chairs need to take on service in this committee, and I will be working on the SOP Reports this year.

**OA 5 Year Plan ‘Strategic Plan’ (SOP)**
We have discussed our strategic plan at our previous Region 9 Assemblies and this has been mentioned in many previous reports. As a Region Chair – I am tasked to help facilitate our Region in fulfilling various aspects of that plan. We will be speaking about this at the assembly and how it can fit in with our Region 9 committees. A copy of the current strategic plan is included in the assembly materials – section F. Our 5 year plan is coming to an end, and we will also discuss the new and exciting Strategic Plan which will begin in 2014. This focuses on three goals:
- Increase focus on actions required for abstinence
- Increase focus on the necessity of working all 12 Steps
- Increase focus on individual’s responsibility to carry the message

**Meeting Information and meeting list accuracy.**
It is very important for your service body to continuously update your meeting list information and to update the WSO records. If you don't already know, please find out how this is done in your SB before coming to the R9 Assembly.

**OA Finances at WSO level & Region 9 Contributions**
Although Region 9 is in a very different situation than most other regions (using some of our Tradition 7 within our SB for OA literature translations and public information), we still don't contribute enough to Region 9 or World Service to be self supporting. This is something we need to address.

**Lifeline**
Lifeline is still in need of our help. Whether we, as individuals, take out a subscription, or for our group, or to subscribe for a copy to go to healthcare professionals, we want to do more. Lifeline is such a source of inspiration – we want to keep it alive. This year at the Region 9 Convention, we will offer, once again, a subscription to Lifeline from Region 9 (as part of a fund raiser).

**Emails Received and Replied**
This is a very valuable tool and I have been trying to reply to all emails within a couple of days upon receipt. Along with that, I have been sending more information out through email, such as the monthly Region 9 Chair's message, and keeping in contact with the R9 Board members, R9 Trustee, BOT’s, WSO, R9 committee chairs, and individual OA members and SB’s within R9. An ordinary month of incoming and outgoing emails comes to almost 600 emails per month.
Thanks for allowing me to serve

I would like to take a moment to thank everyone – the R9 Secretary, Treasurer & Trustee, all the Committee Chairs, and each one of you, for helping me make my service as Region 9 Chair easier. The incredible work that we have done this past year amazes me. I am coming to the end of my first term as R9 Chair, and I am truly touched on how much I have received in fulfilling this service position.

Again, thank you.

Dear Region 9 Assembly attendants.

This has been my first year as R9 Secretary, and I have been pleased to do all it takes. There has been a lot of hard and funny work during the past year, and I can't understand how the time has past so fast.

One of my first big jobs, was to gather schedules from all the 2012 attendants, the Workshop Appraisal Form, and add all the information on one page, and then submit that to R9 Chair. It was very exciting to find out how to make the schedule look good. Since I didn't knew much about making such a thing, I was very proud of the outcome. Many things I have done since, has also brought my such joy, things I thought would be very difficult to find out, has shown easy when I did it.

Every week I'm sending out Lifeline Weekly, once a month the message from R9 Chair goes out, and R9 Newsletter goes out every second month. As R9 Secretary I am obligated to write articles for each Newsletter, and two times I have found another OA member to write an article too. Each month the R9 Board have a skype meeting, and every second month the R9 Committee Chairs are invited to participate in the first part of the meeting. The second part is for the Board to continue the meeting. It is my job to take minutes at all meetings, and then send them to R9 Chair for correction, and after that, I will send it out to Board and CC's. One of my tasks is also to answer emails, which I do every day, that has been very rewarding to me. I think it is such a pleasure to communicate with people all over the region, it makes me feel useful, and I can feel and hear that my job are much appreciated. I have gathered information on the “Liaison With Countries Not Represented At The Assembly” to help the Acting TSWC Chair with my knowledge on this subject, since I was Chair of TSW Committee a year ago. Every third month, I receive Service Body Counts from WSO. Then I am to contact the countries as WSO has tried to contact but where their emails came back. I need to contact the countries to see if they still have meetings and SB's, and report the result back to WSO. I'm working close with R9 Chair, on a contact list we got within R9 Board, and I'm sending any update to the Chair for her to gather. It is also my responsibility to inform the region on Important OA Dates, like Region 9 Week, which is coming up in first week of September each year. So a lot of what I am doing as Secretary, is bringing on the message, and share my experience with members from so many countries, who need to know something, or who wants to get/or be a sponsor.

In April 2013 I attended WSBC as R9 Board delegate, I represented the Board because the R9 budget allows the Secretary to go to the Conference. That experience was so beautiful to me that I can hardly explain it. I felt a big responsibility for all the decisions that we voted on, and for bringing my experience to the committees I joined, and to the business meetings.

The work of preparation for the Assembly Material Binder 2013 has been quite a job, but I love it. It has given me a lot of inspiration, and maked me stick to my Higher Power's will for me.

I'm looking so much forward to do service for the next year. Thanks to all of you, I able to do it.

Love in Service

Mette

The Treasurer’s report for Region 9 members

This has been my third year as your treasurer and I'm enjoying my service position very much. A lot has happened during the past year; new groups have come in contact with the R9 board and we have been putting a lot of effort into trying to reach out to as many OA members within R9 as possible.

As always, I would like to encourage you to display the 7th Tradition tent cards at meetings and to use the 7th Tradition skits for inspiration, all available at [www.oa.org]. Your group's budget is an overt matter and we will be more inclined to give if we know where our money goes, and if we can see in which ways it serves R9.

Accounts for the year ended 31 May 2013

We have three accounts, Current, Euro and Bonus Saver (held with NatWest in the UK). We are using an exchange rate of an average of 1.18 Euros to the Pound. This has been used in the accounts calculations for the year ended May 31, 2013.

Income

In general, all of our income came in under budget – please refer to schedule 1 of the accounts.

Outgoings

In general, all of our costs came in under budget – please refer to schedule 1 of the accounts.

New line-items to be discussed and voted on at the assembly:

1. Partial subsidizing for chair to attend functions within R9.
2. Secretarial expenses for committees – Euro 110/GBP 73 per committee.
3. Change line item “R9 board member to WSBC” to “Two R9 board members/members of R9 to WSBC”.
4. The line item “delegate assistance” ought to state no less than Euro 2400/GBP 1700

Regional Chair Meetings are held three times a year. The first of these is at WSBC in Albuquerque and, according to our Bylaws, our chair is required to attend these meetings. The costs for each meeting came in under budget. Please note that these costs have increased – we are a large region and we do believe in the principle that everybody ought to be able to do service. This means that we will experience different financial needs when there is a rotation of board members. I kindly ask you to consider this when you make your contributions.

Delegate Assistance: The costs shown in the budget refer to the assembly 2012 in Poland where we supported four delegates.

This year, your region has agreed to assist 7 delegates for a large part of the amount they requested; the claims were between 116 and 770 Euros. Originally, our total budget for delegate assistance has been Euro 1298/GBP 1100. Due to a generous contribution from region 5 and region 7 towards the 3rd RCC meeting we were able to increase the fund for delegate assistance. In addition to the R5 & R7 contributions we increased the fund with money that has been left over from the other two RCC meetings. The total amount of the fund is Euro 3800/GBP 3202.

Binder Page 36
I have received seven financial summaries as requested with the Delegate Assistance Application Form and agreed by the Assembly previously in our Policies & Procedures 2008e. Please note that if the financial summary is not provided, your delegate might not get the funding in the future if more delegates apply, or our financial position falls and/or our expenses increase. Details of any funding for attendance at the region 9 Assembly from elsewhere are required.

I kindly ask you to be as thorough as possible when applying for Delegate Assistance. Receiving a detailed list of your expenses helps us a lot. We have updated the Delegate Assistance Application form as to make it more clear which information we require from you.

General Assistance Fund: At the 2012 assembly we decided to discontinue the Translation fund and created the General Assistance Fund. Money from the translation reserves has been transferred into this new fund that is supposed to assist service bodies with both translation/printing and various projects that help increase OA awareness in their respective areas. There was a total of Euro 3186/GBP 2700 in the fund; three service bodies have received funding during the past year (between March 2013 and August 2013).

Secretarial expenses: consists of photocopying, cartridges, stationary etc. for all of the R9 board.

WSO Contribution: Region 9 is a large region but it is not the poorest one. However, we have been one of the lowest contributing regions and we do receive a lot of financial support from WSO. Please consider an extra Tradition 7 on a regular basis. There are various suggestions for your groups to apply in order to make contributions a part of your meeting culture. At the Assembly in Poland, it has been decided to take a part of the money from the former translation fund to increase contributions to WSO. Our region has contributed with Euro 3540/GBP 3000 to WSO.

Fundraiser

The R9 board has been selling two 7th Tradition items during the past year:
- Magnets with “Just For Today” in various languages
- Wristbands with the word “Surrender” in various languages

Contributions

May I remind all contributors to send an e-mail to the treasurer and the banker before making a bank transfer. Banks do not give much information on the transfer forms and it can be rather time consuming to search for the right e-mail address to send the receipt. Please note that our banker, Alison, has a new address and phone number, these can be requested via email.

Financial Statements
To be added later
Over the past year I have ensured that:

- Everyone all expenses have been paid promptly
- All contributions have been paid into the R9 accounts promptly
- I have changed the bank correspondence address to my own (this took 5 months to transfer from the previous banker)
- I have added my signatory to the accounts (now 2 out of 3 signatories which is much safer than just 2, currently: Pam L, Alison T and I)
- I have reported bank statements and transactions to the Chair and Treasurer
- Pam L assisted in setting up online banking so we can log on to see the bank account
- I have started with Fawn’s help to investigate getting the bank correspondence sent to an office address where they will forward mail for us. This would mean that in the future when there is a change of banker that we could inform the mail forwarding company and they would immediately forward the bank statements / cheque books / correspondence etc to the new banker and we wouldn’t have an OA members’ personal address available if we start to use Paypal for contributions. This has not been completed.

On a personal note, I have not been able to fulfil all of the banker duties with regards to receipts for contributions made and I have been slow in dealing with some things. My sincere apologies for that, albeit I had a good reason in that I have had a baby 4 months ago and I am still working almost full time, so I have only carried out the bare minimum of Banker duties. I do feel that it may be wise to talk through the Banker role’s responsibilities on an ongoing basis as it may be worth making some amendments.

Report
To be added later
This year has been a very productive and hard working year for our Committee.

Two times we have updated the list and send the list out so that the non-English speaking countries in Reg 9 had the opportunity to update the list if they have translated more literature in their language.

The first time we send the list out, it was the updated list from the last year. The second time we send the list out we had add more approved OA literature in the list.

Also the Committee has designed a glossary list (we are still working on the list) with the most used terms and words in OA. Non speaking countries are able to use this glossary list and translate to their own language helping new OA people to understand the OA language. The idea is that we later are going to ask the local translation committees to add OA words and terms in their language to this glossary list.

Every time the Literature & Translations Committee has sent a message out in Reg 9 we have encourage the countries to translate at least one book or one pamphlet a year. And we also remind the countries that they are able to seek funds both at WSO and Reg 9.

Thank you to all countries who has given us feed back and returned the updated list.

Thank you to all members in Reg 9 who has been working with us in this year and thank you to all the members in Reg 9 board helping us.

Thank you all for your service.

And personally I want to thank all members in the Literature & Translations Committee for all the powerful service you have done this year. Thank you very much it has been a pleasure to work together with you.

I am grateful to know you all

7. We asked all committee chairs if they wanted content put on the website.

8. Links to all the websites in other countries were checked. We added new links to several countries and removed those that were obsolete.

9. Added software that allows the website to be translated into any language.

10. Worked towards getting a Donate button on the site. This is still a work in progress.

11. Wrote up a maintenance list of jobs that need to be done by the Electronic Communications Committee.

PI Committee report 2012-2013

The following was carried out by the PI Committee since the last Assembly 2012 in Poland:

- Different Skype meetings were held in February, March, May and June 2013.
- Roy, Csilla and Miranda from the committee were very active and engaged in all the work that was done. A very special thank you to them for all that was created.
- First there was an encouragement mail with a step by step guide to put the video from WSO and translate it into different R9 languages. Different countries answered and asked more questions. The video was translated and uploaded onto the websites of various countries eg Israel, Belgium, Hungary, Greece etc.
- A PI letter was sent with PI experience in Belgium.
- A PI letter was sent with information about the professional outreach experience of Israel.
- The realization of a beautiful, attractive postcard as a R9 PI tool, with a picture and logo on one side and contact information of various R9 countries on the other. We contacted various countries in order to obtain their contact information for inclusion in the postcard.
- We applied for, and obtained, financial support from the Region 9 General Assistance Fund for the postcard project.

Warm regards in fellowship

**Intent:** To save on cost and time for Region 9 Secretary

**Implementation:** Amend Bylaws

**Cost:** This would reduce expenses for Region 9 as the secretory would no longer have to print and post the agenda/materials for the Assembly

**Rationale:** As per intent

**Background:** Up until now all delegates had a choice as to whether to receive the assembly pack by post or through email, due to increase in use of technology WSO have stopped mailing and now only use emails and posts on the web, changing this would bring us in line with the practices of WSO.

REGION NINE ASSEMBLY 2013
NEW BUSINESS MOTIONS

**MOTION:**
MOVE TO AMEND P&P SECTION II BY INSERTING AND DELETING AS FOLLOWS:

SECRETARY:
The main responsibilities of the Secretary are to produce and mail minutes of all Region 9 Assemblies, and maintain updated listing of R9 Intergroups and National/Language Service Boards. The procedure for this is as follows:

MINUTES OF THE ASSEMBLY:
1. The Chair will send out an agenda prior to the Assembly, and will include reminders to all Officers and presenters of topics to bring with them to Assembly a written report for inclusion with the minutes.
2. A tape recorder recording device may be used if required.
3. At the R9 Assembly, the Secretary needs to collect copies of all reports to be included with the minutes. It is also necessary that all motions are given to the Secretary in writing. It is important to record the name of the proposer and seconder, and the count of the voting on each motion.
4. The time scale for producing the minutes is short, and it is helpful to have copies of all paperwork to be included with the minutes in your possession, when coming home from the assembly, to ensure the minutes are distributed in the timescale set out in the bylaws.
5. Please see the ground rules for current wording for Minutes Approval Committee. Email the draft minutes to the R9 chair and the Minutes Approval Committee to check. Once any amendments are made and the Chair and MAC have agreed them all, then the minutes can be distributed. The minutes will include all reports and revised copies of the R9 Bylaws and P&P Manuals if possible.
6. The minutes are then distributed to all registered service bodies in R9 and to those members present at the Assembly by email wherever possible or in the post. A copy is also posted to the website.

**INTENT:**
To change wording due to advance in technology.
To reduce expenses for Region 9; up until now all delegates had a choice as to whether to receive the Assembly minutes by post or email, due to increase in use of technology WSO have stopped mailing and now only use emails and posts to the web; changing this would bring us in line with the practices of WSO.

**IMPLEMENTATION:**
To be put in P&P manual

COST:
This would reduce expenses for Region 9 as the secretary would no longer have to post the minutes to the delegates.

RATIONALE:

Motion:
To amend the P&P Section 2 by deleting as follows:

2. Receive the Assembly Materials Binder before the Assembly.
Materials relating to the business that is to be carried out during the Assembly will be sent out before the Assembly takes place. On the Assembly registration form the representative will be asked whether they wish to receive an electronic or a printed copy of the materials. The representative should read those materials (they will include information on the motions that are to be voted upon) and, if possible, discuss them with the service body they represent. The service body has the right to instruct its representative according to the way they should vote. However, as new information and amendments to the motions may appear during the Assembly, most service bodies allow their trusted representatives to make the final decision as to the voting during the Assembly itself.

To save on printing and postage expenses for Region 9 and time for the Region 9 secretary; bring us in line with WSO practices.

FUNDING OF REGION 9 DELEGATES
Delegates representing Region 9 as a whole may be sent to the WSBC if funds are available within the Region 9 budget or from the WSO. Those delegates will be (in order of privilege, in case the financial supplies are limited): the R9 board secretary, the R9 treasurer, and/or OA members from within Region 9 who have been to the World Service Business Conference before, meet the requirements for a WSBC delegate and will not be representing any other service body at the WSBC. Information about such persons being sought will be mailed to the service bodies that are sending delegates to the R9 Assembly in the year before the Conference in Question, the order of applications will determine the choice of the future Region 9 delegates. (2010f)

The delegate/s representing Region 9 as a whole will be expected to take on some service positions:

1) be part of the Reference Subcommittee at WSBC
2) be a Region Appeals Committee Member at WSBC
3) be in charge of the Region 9 7th Tradition Item/s for sale (if R9 Treasurer or R9 Finance Committee member is unable to do this) at WSBC
4) to continue throughout the coming year in giving service to R9 (R9 Chair will assign tasks).

Motion:

Move to insert the following in the R9 policies & procedures, section V, Finance and Budget, “Region 9 funds to be used locally”.

1. R9 Board members’ reimbursement:
R9 board members are being reimbursed for travel expenses, accommodation and food when attending the R9 A&C and WSBC. Basically, every board member is encouraged to choose the least expensive way that works when it comes to travel/accommodation/food.

1.1. R9 A&C:
The R9 assembly starts on a Wednesday afternoon and board members will be reimbursed for accommodation starting with Wednesday night. However, when a board member has a long trip and maybe even a change of time zones, the board may decide, prior to the Assembly, to reimburse that member for an additional night (Tuesday night) in order to settle in properly. Food is usually included in the accommodation fee; however, if this is not the case, the board members will be reimbursed for three meals a day.

1.1.1. A Representative acting as a ‘stand in’ for one of the board members:
In case a board member (secretary or treasurer) cannot perform their duties at the R9 assembly, a representative will be asked to step in. If the representative in question does not receive funding from their service body, he or she will be reimbursed for travel expenses, and accommodation and food for the duration of the assembly.

1.1.2. A Visitor acting as a ‘stand in’ for one of the board members:
In case a board member (secretary or treasurer) cannot perform their duties at the R9 assembly, a visitor may be asked to step in. If the visitor in question does not receive funding from their service body, he or she will be reimbursed for travel expenses, and accommodation and food for the duration of the assembly.

1.1.3. An OA member (who is neither a representative nor a visitor) acting as a ‘stand in’ for one of the board members:
In the event that a board member (secretary or treasurer) knows, prior to the R9 A&C, that he or she cannot attend the assembly the R9 board may ask an OA member to step in. The OA member in question needs to meet the abstinence requirements and the service requirements according to the R9 bylaws and will be reimbursed for travel expenses, and accommodation and food for the duration of the assembly and the convention.

1.1.4. Parliamentarian at the R9 A&C:
The parliamentarian will be reimbursed for travel expenses, and accommodation and food for the duration of the assembly.

1.2. WSBC:
The WSBC starts on a Monday; in order to settle in properly and considering the different time zones, R9 board members will be reimbursed for a total of seven nights starting with Sunday night. Breakfast may be included in the room fee, so the board members will be reimbursed for two additional meals per day (lunch and dinner). The same reimbursement rules apply if the R9 board is sending an OA member other than the secretary or treasurer to WSBC to represent R9 as a whole.

1.3. Treasurer’s duty to inform:
Approximately six months prior to every assembly/conference, the treasurer informs the R9 board members and the parliamentarian about the current reimbursement situation. Also, it is the responsibility of the R9 Treasurer, to inform those Representatives of the R9 Assembly & Convention who receive financial assistance of the details. If there is a "stand in", it is also the Treasurer's duty to inform this person of the current reimbursement situation.

Submitted By:
The Region 9 Finance Committee

Intent:
To clarify reimbursement procedures and to allocate R9 funds in a responsible way. In the past, it has not always been clear to new board members what the reimbursement entailed. This motion explains what a board member can expect and it states the treasurer’s responsibility to inform board members.

Implementation:
To be put in P&P

Cost:

INTENT:
-To facilitate Region 9 committee chairs who are willing to do the service position but may no longer be the representative for their country or members who offered their services while being a visitor to r9. By allowing committee chairs to apply for financial assistance to attend R9 it will enable those willing to do service to continue.

IMPLEMENTATION:
To be put in P&P

COST:

Rationale:
It has happened in the past few years that committee chairs have no longer been delegates for their countries therefore meaning the delegate would have to finance their own trip to Assembly. As this may not always be possible, allowing committee chairs to also apply for financial assistance will allow those willing to do service to continue doing so.
Application for Region 9 Chair – Susan Sharabi

For the last 2 years, I have been giving OA service as the R9 Chair. It never ceases to amaze me how much my abstinence & recovery flourish in doing service. I hope that I have given back to R9, and I would be delighted to continue with the service position of R9 Chair for another 2 years (a second term).

My OA Service Responsibilities Have Included :

1. Group Level – I took on every service position available; started new meetings; organized conventions. Attending 1 face-to-face meeting and 1 r9 skype meeting per week; I speak at OA events; I am an available abstinent sponsor.

2. Intergroup Level/National Service Board Level – I was an IG representative; I was the Israeli International Representative, creating & distributing many workshops and updating OA Literature Licences.

3. Region Level & World Service Level - attended R9 A&C as Israeli Representative from 2008, 2009, 2010, & 2011. Also, I was the Delegate for Israel at the WSBC in 2009, 2010, & 2011. I was involved at both these levels with Twelfth-Step-Within committee, Youth in OA commitee, and brought forth motions.

4. Region 9 Chair – I was/am responsible for R9 Assembly 2012 & for 2013. I represented R9 at WSBC in 2012 & 2013. I’ve attended all the Region Chair's meetings and Joint Board of Trustees meetings. As R9 Chair, I feel I have brought about a lot more communication in our region, whether it be from the monthly chair's message, email/website information, newsletters, or personal contact with OA R9 members. As a region chair, I have taken on responsibilities such as participating in/helping to organize the WSBC Forum.

My OA Recovery Story :

I started OA on May 7, 2002, and took off 40 kilo. I’ve kept that weight off for more than 10 1/2 years now. I have a food plan & food sponsor. I believe that our program is possible if I work it by using the Steps, Traditions, 12 Concepts of OA Service, and the 9 Tools. And I continue to receive guidance from my 3 sponsors. I have faith in my H.P. - God, and He is always with me. I take this program very seriously – physically, mentally, and spiritually. I put abstinence as my # 1 priority in my life.

Service is very important to me – to give back. I feel that we have continued to grow as a Region, and I would love the chance to continue to give service as the Region 9 Chair for another two years.

Thank you.

Susan

GUIDELINES FOR NATIONAL/LANGUAGE SERVICE BOARDS

INTRODUCTION

The purpose of this Manual is to provide National and Language Service Boards in Region Nine with information about how these Service Boards are formed and operate.

National/Language Service Boards (N/LSBs) were officially recognized in the OA service structure in 1995. However, such Service Boards were already operating in several countries by this time. In each place this happened, the local OA organization established their N/LSB based on their needs and experience. This Manual does not prescribe one fixed model for the structure and operation of these Service Boards. For the purpose of keeping it simple these guidelines will not attempt to describe every single possible structure but will rather try to provide basic ideas that can be easily applied and adjusted.

THE PRIMARY PURPOSE OF N/LSBs

The primary purpose of National and Language Service Boards is to provide common services for Intergroups and groups within a country or language group.

The official definition in Overeaters Anonymous, Inc.’s Bylaws, Subpart B, Article VIII, Section 1, states:

“A national/language service board shall be a duly registered service body with the purpose of dealing with issues that require a combination of membership and financial resources of intergroups and groups in a country/countries. The national/language service board shall serve and be responsible to these groups and intergroups. These service boards may also be known as language service boards.”

ESTABLISHING A NATIONAL/LANGUAGE SERVICE BOARD

Generally N/LSBs were established as a practical need in a specific country or language area.

Sometimes several Intergroups in a country or language region would exist and the members in the country/language area recognized the need to create a Service Board that would take care of the many common administrative needs of the Intergroups.

In other places there would be one Intergroup in the country/language area, probably with a large membership and serving a large area. The
members recognized that the Intergroup could not take care of all the needs of all the groups spread out over the area, and that it would be wise to maintain a central body to deal with the administrative needs and to create “local” Intergroups to deal with their local group needs. In this case the previous Intergroup would become the N/LSB and new affiliated Intergroups would be established.

In places where OA was smaller and possibly did not require more than one Service Board, yet the members felt that their purpose was to serve the entire country, they decided to define themselves as a NSB.

**Why form a National/Language Service Board?**

*Growth and expansion*

Intergroups focusing on spreading the OA message in the area, backed up by a National Service Board that provides essential services to the Intergroups, create a healthy springboard for growth and effectiveness. Sometimes the area and size that a single Intergroup has to cover prevents maximum effectiveness. In one country the IG comprised of about 100 groups and about 50 representatives were coming to IG meetings one evening a month. It was almost impossible to cover more than the basic “business” needs of the meeting and no time was left for hearing about what was happening at the group level and how the IG could support the groups. By creating a N/LSB, the Intergroup can focus on group support and spreading the message in their local area and the N/LSB can focus on providing the resources for all the Intergroups and spread the message on a larger scale.

*“Together we can do what we cannot do alone”*

When common needs among several Intergroups (beyond geographical borders) create a need for combining resources and joining forces (e. g. language).

*International ties*

When the different Intergroups within a country or within a specific language group cannot send representatives to OA international business meetings, usually for lack of funding, they could do so through the National Service Board Delegate or Representative who can then represent the entire area, and bring back the message of both the business conducted at the meetings, and the spirit of unity in the fellowship, back to the area.

*Non-English speaking countries*

Non-English speaking countries have special needs that require extra resources. In these countries, usually only a minority of the members speaks English well and the responsibility of spreading the message by translating OA literature, guidelines, and information received from World Service and Region Nine is great.
In such countries, where there are more than one Intergroup, it is important to have a centralized body for this function.

In addition the costs and resources required for translating and producing OA literature in different languages is great, so it’s recommended to combine these resources through the N/LSB.

**How do you decide whether to change the OA Service Structure in your area?**

1. The first action to take is to establish a “service structure” committee. The purpose of this committee will be for people to get together and to form ideas as to how they believe the fellowship can grow and expand in that country.

2. Discuss the service structure at Intergroup meetings and/or at special meetings held for this purpose. Allow for everyone to participate and to voice their opinions. Don’t be put off if there is resistance or people are indifferent and have no opinions. Many of us react negatively towards change and need time to absorb the ideas.

3. Prepare different models for the new structure and how it can possibly develop. At this stage it is important to study both the possible benefits and possible disadvantages that may arise out of the change. Contact people in other countries to hear about their structure, and what works for them. Attached is a suggested guideline (Appendix 2) for some of the questions and issues to be explored during this process.

4. Set up a meeting in which a formal motion to establish a new structure will be presented, formally discussed and VOTE! The motion should already include a presentation of the basic structure of the proposed L/NSB and affiliated Intergroups, the relationship between the Service Boards and basic operations and functions of the L/NSB.

5. If the vote is positive, CONGRATULATIONS. The next step is to register the new Service Board on WSO’s form designated for that purpose. You will have to list the Intergroups and groups that are affiliated to the new L/NSB so that WSO will be able to adjust all the records accordingly.

6. The new Service Board will also be required to submit bylaws to the WSO.

**NATIONAL/LANGUAGE SERVICE BOARD ASSEMBLY**

The National/Language Service Board Assembly is a meeting of the membership of the entire service structure in the country/language area.

**Assembly frequency**
It is recommended to hold an assembly at least once a year, twice a year, if possible.

Assembly location
Ideally the assembly would be held in a central location, with the same travel time for people coming from different directions out of town. Some countries prefer to rotate the assembly location throughout the country. Ultimately this is a group conscience decision.

Assembly Membership
The membership of the assembly consists of:
- Group representatives
- Intergroup Board Officers and Committee Chairs
- N/LSB members

Election of the members of the N/LSB
The members of the N/LSB are elected at the annual Assembly by all voting members attending the assembly. These are group representatives, Intergroup and N/LSB representatives. The term is usually two years, but this is decided upon by each country separately.

Bylaws
The bylaws of the N/LSB are adopted by the National Assembly, preferably at the first assembly held after the N/LSB is established. If possible, at least a Statement of Purpose should be drawn up and adopted at the very same meeting the Assembly is established. This document will enable the N/LSB to register with the World Service Office (WSO). Guidelines for registering with WSO are attached in Appendix 3.

Policies & Procedures
There are two types of policies and procedures:
- Those adopted by the National Assembly, which will become the policies of the National Assembly, and
- Those adopted internally by the N/LSB, which will govern the way the N/LSB operates and functions.

**NATIONAL/LANGUAGE SERVICE BOARD FUNCTIONS**

One of the most important issues is defining the responsibilities of the N/LSB and the affiliated Intergroups. We have already established that the role the N/LSB is to provide common services for Intergroups and groups.

The functions of the N/LSB may include:

* National meeting list
*National newsletter
*Translation of OA literature into the local language
*Printing of OA literature
*National Public Information work
*National PI work with Hospitals, Institutions, Professionals and the Military “HIPM” work
*National OA Events (marathons, IDEA Day, Unity Day events)
*Translation of information coming from World Service and Region Nine
*Representation at WSBC and Region Nine Assembly.

**NATIONAL/LANGUAGE SERVICE BOARD MEMBERSHIP**

The membership of the N/LSB will usually comprise of Officers and Committee Chairpersons:

**Officers**
- Chairperson
- Secretary
- Treasurer

**Committee Chairpersons**
- Bylaws/Policies
- Literature
- Public Information
- Professional Communities
- Events
- 12th Step Within
- Newsletter
- Region Nine Representative/s
- WSBC Delegate/s

As there is as a certain amount of discussion of similar issues, input and flow between Region Nine and WSBC, it is recommended that the delegates be the same people, if this is possible. In one country these delegates form the "International" Committee where, in addition to being representatives to Region Nine and WSBC, they deal with all the issues requiring liaison with Region Nine, WSBC and WSO. This could be particularly helpful in non-English speaking countries. It is recommended that more than one person serve on this committee, even if only one delegate attends Region Nine and WSBC business meetings.

**Intergroup Chairpersons**
The Intergroup Chairperson is elected by the members of the Intergroup and serves the Intergroup. It is suggested that a good way to ensure good communications with the Intergroups is for the Intergroup Chair to be part of the N/LSB by attending meetings as voting members (NOTE:
Having Intergroup Chairpersons part of the N/LSB is not mandatory and may not be common. However those boards doing this have found this the best method to keep close ties and communications open between the N/LSB and Intergroups.

**Elections**
The members of the N/LSB are elected at the National Assembly. Usually it takes a majority vote to be elected to the N/LSB.

It is possible to consider setting a quota of members from each Intergroup thus maintaining equal possible representation on the Board from each area. It is also possible to call for elections from anyone who qualifies.

There are three general methods of elections:

1) Hold elections for general membership to the N/LSB only. The allocation of the different positions is decided upon by the Board at its first meeting.

2) Hold elections for specific positions (Intergroups usually do this) – Chair, Treasurer, Delegate, Bylaws Chair, Literature Chair, etc.

3) Combine the two systems – have some positions elected directly and others generally.

The advantage of electing general members at the Assembly is that it gives the board flexibility in filling positions (especially Committee positions), allowing for changes and creating new positions as needed. If members are elected directly to a position then only the Assembly can approve the changes made and this might affect the Board’s ability to serve the fellowship best.

Sometimes it may still be important to have some positions voted upon by the full Assembly and responsible to the full Assembly, such as Chair, Treasurer and “international” delegates.

It is entirely up to each country/area to decide what would work best for you, but it is worth considering each method.

**Qualifications**
Qualifications to serve on the N/LSB are defined in the bylaws of the Service Board. Each Service Board is autonomous to set its own qualifications, but here are some ideas.
Consider the following criteria in general: time in fellowship, service in fellowship, particularly previous Intergroup service (in cases where there will be both an IG and N/LSB), and length of abstinence.

Some positions may require longer time in the Fellowship, such as Chair, Treasurer, Representatives to Region Nine/WSBC (one country requires 5 years for these positions and 3 for other positions). Naturally, the qualifications should not be so high that no one or very few people can qualify! Service boards should note the current WSBC and Region Nine delegate requirements and incorporate these into your own requirements. In non-English speaking countries it would also be wise to ensure that the delegates have a good speaking, reading and writing knowledge of English.

**NATIONAL/LANGUAGE SERVICE BOARD MEETINGS**

Ideally the N/LSB would meet once a month. In larger geographic areas this may not be possible, so the final decision would be decided upon by the N/LSB. It would seem important to meet at least once in every three months.

One suggestion is to hold a telephone-conference call at least once a month if there is no meeting. If an agenda and motions are distributed in advance, it is found that this is a useful way of holding a meeting. Most countries now have facilities for holding conference calls at fairly inexpensive rates, certainly much cheaper than travel for larger areas. This is a good method getting important business done in between meetings.

E-mail is also an excellent way of transmitting information quickly.

The Internet has many tools for holding “meetings” online and this tool can be used for conducting OA business between meetings.

**N/LSB RELATIONSHIP WITH INTERGROUPS**

**Finances**

The financial ties between the Intergroups and the N/LSB are critical. The traditions teach us that each OA service group is autonomous (Tradition 4) and that each OA group should be “self supporting” (Tradition 7). How do we ensure, within the framework of our traditions, that the N/LSB is supported well enough? If we look at the responsibilities of the N/LSB we will see that most of the really big expenses will be the responsibility of the N/LSB – running an office, translating and producing literature, sending representatives to international meetings, funding meetings of the National-/Language Service Board and Assembly, etc.
In many places, traditionally groups contribute to Intergroup and Intergroups would contribute to the N/LSB. There is nothing to prevent groups to contribute directly to the N/LSB as well. The N/LSB is dependent on the contributions from the Intergroups and groups to function and to serve the local fellowship. This means that the two Service Boards depend on one another. The N/LSB depends on the Intergroups to raise the necessary funds to cover the large expenses they have. The Intergroups depend on the N/LSB to provide the necessary services to them. There must be close ties and a true a sense of common purpose between all the service bodies in the country/language area in order for this structure to be successful.

In one country, as the NSB was legally incorporated it turned out that only one bank account was allowed for the entire "organization". Therefore in this country all funds go directly to the N/LSB, which then covers all the expenses of all the Service Boards. While to some this may seem to be a breach of “group” autonomy it does work well and is legally required. Each Intergroup then receives adequate funds for its own operating expenses, which are usually quite small. The amount is approved at the national assembly within the budget approval process.

**Division of work**

It is very important that the Intergroups and N/LSBs in a country agree upon the division of work between the service bodies as it would be easy to overlap and create misunderstandings. There are some areas in which both services bodies would be active, for example Public Information. The NSB would concentrate on nationwide coverage and events, while the Intergroups would concentrate on local coverage. Another example is OA sponsored events. The Intergroups and N/LSB can find themselves clashing with dates of events so it would seem that some kind of common planning in advance would help. In some areas, maybe the Intergroups would like guidance and assistance from the L/NSB so cross-Service Board meetings could be held to join resources and exchange ideas.

**Office**

When OA in a country becomes large enough to run an office and hire employees the responsibility for this would reside with the N/LSB. At this point it would seem mandatory for the N/LSB to be legally incorporated in that country in order to be able to legally hire space, employ office workers, and purchase insurance. There is a point where it is no longer feasible to do this informally.

It is not mandatory that there be BOTH a physical office and staff but it does seem to go together. People can be paid to do certain jobs out of their homes but if the decision is taken to have an office then it would seem to require some on hand staff. An office with financial and legal
obligations, operated completely by volunteers doing service could be a very risky undertaking. We give service out of the time we have and cannot always be on the spot to do all the work all the time.

When our homes, spare rooms and cars become packed with OA literature and materials and when the amount of service administration becomes unmanageable, you will know that the time has come to consider hiring office space and employing staff. Read both AA and OA Traditions (Tradition 8) where there is some discussion on hiring staff. The Traditions allow the staff to be either OA members or not. Experience has shown that there is an advantage to having an OA member answer phones from the public. This is an issue for each Service Board to decide for itself.

In one country the office space includes a fairly large meeting area (seating up to about 50 people). About 10-12 meetings a week operate there, various workshops are held there, the NSB and one of the Intergroup business meetings are held there, the National Assemblies are held there, there is space for both an office and storage. This is almost an ideal situation as the meetings pay for use of the room and this goes a long way to help cover the rent costs. Quite a bit of money is also saved by holding the business meetings there too.

**Representation at Region Nine and at World Service Business Conference (WSBC)**

Some countries are lucky enough to be able to send representation from Intergroups and the L/NSB to the Region Nine Assembly and to the WSBC and this is welcome. The bylaws take this into account and ensure that there is no formal duplication of representation. In many places, however, this is not possible and only the L/NSB sends a representative to represent all the Service Boards of that country. In this case, it is recommended that the representative does his/her best to report back to the Intergroups as well as the L/NSB. Reporting back to as many people as possible is an important task as that one person may be the only contact many people may have with OA outside of their area/country.

**International Publications**

All OA publications are supervised by the Board of Trustees (BOT) and the World Service Office (WSO). OA service bodies throughout the world are permitted to translate OA literature into different languages and to reproduce the literature provided that they follow the
guidelines formulated by the BOT and the WSO. These guidelines may change from time to time and are available from the WSO at any time.

Reproduction of OA Conference Approved Literature.

Sometimes OA service bodies around the world find that the shipping costs of OA material and literature from the USA and taxes, result in very high literature costs and that it would be more economical to reproduce the literature locally (in English) for sale to the local fellowship and surrounding countries. Permission to do this needs to be given by the WSO and guidelines are available for following this process.

Translations and publications of OA conference approved literature in different languages.

As most countries around the world do not speak English as their native tongue and there are many countries where most people speak very little or no English or their reading skills are not good enough to fully understand and benefit from the English literature, it is necessary to produce OA literature in local languages. WSO gives permission to different countries to translate and reproduce OA literature. This is a very long and costly process but nonetheless once completed, is usually of great benefit to the local fellowship.

OA Copyrights

OA is a spiritual fellowship. We might not like to concern ourselves with finances and legalities because we feel these are not in harmony with the spiritual side of our program. We have come to realize that this is not so. Taking collective responsibility for our finances is part of our spiritual development. OA, as on organization producing materials, logos and literature, takes simple steps to be the “legal owners” of its products to prevent other organizations and people from “claiming” or using this material and literature for themselves. This is part of our responsibility of maintaining our fellowship for our personal recovery. This is why OA, AA and other Twelve Step Fellowships file copyright claims on their literature. What this means is that OA is the “legal owner” of all its literature and nobody may reproduce OA literature including the OA logo, the brochures, the Twelve Steps, Twelve Traditions and Twelve Concepts of OA Service without permission.

What does this mean for our service bodies? We also may not reproduce any copyrighted material without permission. This includes using the OA logo and OA material in our meetings, events, letterheads, web sites etc. There is a very simple procedure in place to apply for permission from WSO and WSO generally grants permission to OA.
service bodies and groups. There is no intent to supervise or control what service bodies reproduce, but simply to make sure we meet the legal obligations that arise out of the copyright process which requires that permission be granted by WSO to use the materials and literature. WSO will more than willing to provide you with the forms and guidelines. It takes just a few minutes to apply for permission each time.

The N/LSB needs to study this issue and to reach a group conscience decision on how best to comply.

**OA Royalties**

As already mentioned above OA, Inc. is the legal owner of all its literature and material. This gives OA, Inc. the right to receive some return for the literature even if it is not sold or produced directly by WSO. This is called “royalties”.

In the music world, every time a song is heard on the radio or video clip screened on TV, we know that the legal owner of the song is entitled to get some kind of return. When people reproduce music without purchasing it (and today this is very simple) – this is called “piracy”! In the literature world, when novels are translated and/or reproduced in different countries by different publication houses, these companies have to pay the legal owner of the novel large sums of royalties for each book reproduced. This cost is included in the price of the novel.

We all understand this concept quite easily outside of OA. Yet we may feel differently when it comes to OA. We may feel resentful that “they” are trying to make it harder and more expensive for us, or that “they” are just interested in making more money!

OA has invested a great deal of time and money to produce each piece of literature. Literature is OA’s biggest source of financial survival together with contributions. When we start reproducing the literature locally OA loses that extra return on the investment, which is vital to our survival as fellowship. This goes beyond just the legal issue; it is part of our responsibility to do our part to make sure that OA survives, that OA benefits from the sale of literature as well as our local service groups.

The guidelines mention that a percentage of the sale of OA books and brochures should be sent as royalties to WSO. We need to take this amount into consideration when pricing the sales cost of our literature. Payments can be made annual or more frequently.

It should also be noted that until now OA, Inc. has not taken steps to enforce this procedure and it is unlikely that it will do so in the near future, although this can change at any time. This actually leaves it up
to our good conscience and sense of responsibility to comply. The general consensus is that new and small and struggling services bodies probably cannot manage to meet this requirement. Well established service bodies should start taking more responsibility and make an effort to start paying royalties.

The N/LSB needs to study this issue and to reach a group conscience decision on how best to comply.

**WSO meeting lists and updates**

The official OA worldwide meeting list is the list posted by the WSO. Therefore, updating the WSO directory is of vital importance and the N/LSB should find the best method for that area/country to send updates to the WSO, especially in non-English speaking countries. Updates can be done via the web, email, fax and post. WSO staff can email the latest print out for an area at request and do everything possible to encourage service bodies to keep information up to date. Possibly this could be the job of a person at the L/NSB level. The importance of this process cannot be stressed too much as the web site is becoming one of the principle ways of finding OA in your area!

Sometimes there are bugs in the system and human error causes the updates and information to be lost or incorrect – just keep on sending your updates in, it’s never a waste of time.

**The Bylaws, Policies and Guidelines produced by the BOT and the WSBC, take precedence over the information in this Manual, which is designed just to be helpful and explain what these procedures are about in a simple matter.**
APPENDIX 1 - TERMS

Some of the definitions below have been quoted from other documents: OA Inc. Bylaws, Region Nine Bylaws, WSO web site. These documents may change from time to time, so please check them out occasionally for updates as they will always take precedence over what is stated here.

Section 1 - Definition
a) These points shall define an Overeaters Anonymous group:
   1) As a group they meet to practices the Twelve Steps and Twelve Traditions of Overeaters Anonymous.
   2) All who have the desire to stop eating compulsively are welcome in the group.
   3) No member is required to practice any actions in order to remain a member or to have a voice (share at a meeting).

World Service Business Conference (The Conference, WSBC)
(taken from Overeaters Anonymous, Inc., Bylaws, Article X – World Service Business Conference, Section 1a) – Annual Meeting:
The World Service Business Conference is simply defined as “the collective conscience of the Fellowship of Overeaters as a whole.”

Regions
There is no definition of the role of Regions in OA's bylaws, just the geographical boundaries of each Region.
The current definition of Region's role as defined in Region Nine Bylaws, Article 2 – Purpose:

Section 1
The purpose of the Region 9 Assembly shall be to carry the OA message within Region 9 to the still suffering compulsive overeater - wherever they live and whatever language they speak.

Section 2
a) The responsibilities to fulfill this purpose shall include:
   1) Administering and co-coordinating OA activities common to the various groups, Intergroups and National Service Boards comprising its membership.
   2) Establishing and maintaining a regional office mailing address to facilitate communication between Region 9 and the various groups, Intergroups, National Service Boards and members
   3) Promoting OA unity within the widely differing cultures and languages included in Region 9.

Board of Trustees (BOT)
The Bylaws of Overeaters Anonymous, Inc., Subpart A, legally define the operations of the Board of Trustees. In Subpart B, Article IX defines the power, duties and responsibilities of the Board of Trustees and the individual Trustees towards the fellowship.

Section 2 a) defines the role of the Trustees:
"Each trustee shall serve and represent Overeaters Anonymous as a whole. The members of the board, subject to the laws of the State of California, are expected to exercise the powers vested in them by law in a manner consonant with the faith that permeates and guides the Fellowship of Overeaters Anonymous, inspired by the Twelve Steps of Overeaters Anonymous, in accordance with the Twelve Traditions and Twelve Concepts of OA Service of OA service and in accordance with the bylaws."

**World Service Office (WSO)**

Here is a description of the WSO found in the Newcomers packet, which describes the functions of WSO:

"Located in Rio Rancho, New Mexico, we exist to support individual members and OA's thousands of groups worldwide, as well as to carry our message of recovery to compulsive overeaters who are still suffering.

We provide this support in a variety of ways. We produce over 100 literature and recovery-related items, taking member ideas and turning them into polished products. We publish *Lifeline*, a monthly recovery magazine, made up of stories written by and for the OA member. We distribute *A Step Ahead*, a quarterly newsletter, which keeps members up-to-date on OA happenings.

We also maintain current directories on meetings all across the world – we can tell you where to find meetings from Alabama to Zimbabwe! If you don't feel at home at your first meeting, you can call us to find another meeting that works better for you, so don't quit before the miracle happens. We can even connect you with a sponsor or pen pal in another city, state or country, if that is what you need to work your program.

In addition, we provide new groups with everything they need to get started. We also give information about OA to media representatives, health professionals and others interested in OA's Twelve-Step approach to recovery from compulsive overeating.

Although there are no dues or fees for members, the WSO is funded through literature sales and through your contributions. In keeping with
OA's Seventh Tradition, we are member-supported. So, when the basket is passed in meetings, keep in mind that you are supporting your own recovery by helping to maintain your group, Intergroup or National/Language Service Board, Region and World Service Office.”
APPENDIX 2 - Should your Service Body become a National/Language Service Board?

Below are some topics and some tips to think about when trying to decide whether or not to establish a National/Language Service Board in your area.

1. In countries where there are few OA groups, mostly one city, the biggest issue for discussion is VISION. How do you want to define yourselves? Do you see yourselves trying to spread the message more in your local area/city at some time in the future? Do you see yourselves trying to spread the message beyond your local area to the rest of the country at some time in the future? Maybe right now there may seem no practical difference between your registering as an Intergroup or as a National/Language Service Board. Your decision will depend on how you want to define yourselves as part of where you think you would like to develop. If you define yourselves as a National/Language Service Board it may give you the inspiration to take action.

2. In countries where there are many groups and only one Intergroup trying to serve all the groups the issues are more complex:

   a) How many groups do you have?
   b) How far spread out are the groups?
   c) How many groups attend Intergroup meetings?
   d) Can Intergroup representatives travel to the Intergroup meeting within a reasonable time frame?
   e) How would you benefit from creating a National/Language Service Board with local intergroups?
      i. Are you currently able to reach out to all the groups in your area?
      ii. Do you have time to cover all the necessary business at your Intergroup meeting plus hear what’s happening at the group level and address group concerns?
      iii. How would you benefit from separating between the central administrative Service Board and providing local group support and events?
      iv. How well are your events attended?
      v. Would you benefit from holding both central and localized events?
      vi. Would you be able to draw more people into service above the group level by having some members dealing with the localized services?
      vii. Do you have enough service resources (people doing service) to run separate Service Boards?

3. In countries where there are some separate Intergroups and no centralized National/Language Service Boards:
a) Are there common needs between all your Intergroups that would make it common sense to have a centralized Service Board – e. g.
   - National Meeting List
   - National Newsletter
   - Centralized translation services, if required
   - Central literature publication, if required
   - Purchase of literature from WSO
   - National PI work
   - Centralized representation at Region Nine
   - Centralized delegation to WSBC
   - Centralized payments to Region Nine/WSBC (for places where foreign financial transactions are costly).

b) Is there cooperation between the Intergroups in attending and organizing OA recovery events?

c) What benefits would there be to pooling resources of all the Intergroups to take actions that would benefit the country as a whole?

d) What benefits would there be to pooling resources of all the Intergroups to have common representation at Region and WSBC business meetings? Remember, this will NOT PREVENT larger and stronger Intergroups to still send individual representation. Do you have enough service resources (people doing service) to run separate Service Boards? Do you have enough service resources (people doing service) to run separate Service Boards?

4. When considering the establishment of a Language Service Board the geographical borders of different countries are less important. Language Service Boards can match specific geographic areas. An example would be the German speaking Language Service Board that covers Germany, German speaking Switzerland, Austria and Luxembourg – all clearly defined geographical areas with a common language.

Language Service Boards can also join up groups that are run in a specific language that is not the language of the country and exists in different countries fairly close to one another. An example of this is the English Language Service Board of Region Nine that covers English speaking groups from all over Europe outside the UK and Ireland.

It may be considered that communications over such large geographic areas are too large. If so, local Intergroups will exist within the framework of these language Service Boards as well. Their relationship with the Language Service Board would be similar to that between an Intergroup and a National Service Board.
There are also cases where people might feel that they should join forces with speakers of other languages in different continents. However, it does seem that distance in such a case would make an effective formal affiliation impractical. World Service Bylaws also do not allow for a group in Region Nine to be affiliated to a Service Board in Region Eight (for example). It would seem best to have an informal relationship with speakers of the same language in different continents, in which the more established Service Boards could provide literature and materials to the smaller ones.

It should also be noted that sometimes despite having a common language, sometimes dialectic differences discourage the different Service Boards from using each other’s literature. A current example is Spanish. There are a number of different versions of the Twelve Steps and Twelve Traditions translated to Spanish by different Spanish-speaking Boards that prefer to read their dialect of Spanish. These issues need to be addressed and decided upon locally.

The most important issues involving the decision to create a Language Service Board are:

a) What benefits are there for the different groups and Intergroups to affiliate?
   viii. Would common literature translations and publication be helpful?
   ix. Would a common newsletter be helpful?
   x. Would joint representation at Region Nine and WSBC be helpful especially for the smaller and weaker areas?
   xii. Would it be possible to hold strong recovery events for the area?
   xiii. Is it possible to do joint PI work and prepare PI materials?

b) Is at least an annual meeting of the Language Service Board possible and practical, thus enabling joint business and recovery events for all the affiliated Service Boards to be possible?

c) How would finances crossing over financial borders work?

Would you elect Board members from all over the areas and how will the Board function? There is a large country in Region Nine that is so big this is impossible, so that National Service Board actually rotates from area to area for certain periods, thus making it possible for them to operate smoothly and cost-effectively.
Region 9 Guidelines for Translation

I. Region 9 Experience with Translations
   1. These guidelines are not intended to give you any specific instructions on conducting translations into your own language, but rather to share some of the experience learned from our struggles in this area.
   2. These guidelines do not replace WSO’s formal approval process. We also suggest that you look for the World Service Office’s International Translations and Publishing Guidelines, as it contains valuable information about translating OA materials into other languages.
   3. When OA Literature is updated, it is recommended that Service Boards selling existing stock insert an errata slip when detailing the most recent changes.
   4. Be aware that there may be people in other regions/countries working on translations in your own language. Consider keeping in touch with them.

II. Creation of a Translation Committee

   If you are starting OA in your country, you probably have a lot of work ahead of you. Before you can think about an OA group or any service structure you need to have some translated material. It is very common that in the beginning this service is carried out by one or more committed members, but the earlier you can form a Translation Committee the better. This will avoid too much dependence on specific members and also form a structure that can enable the process to develop smoothly.

   A. Members of a Translation Committee

   The Translation Committee should have a list of people that update the OA literature in the different countries. These members should have information about all changes in OA literature. When you express the need to translate OA materials many OA members will likely volunteer to assist. At first it seems a very easy and attractive job. However, very few of them will really go ahead with the task, why?
   1. Many people think that all you need is to speak English well. As a matter of fact, the level of your English is just one among other talents required to perform a good translation. For example, you may have a good understanding of English but you may not know how to verbalize an English text in your own language.
   2. Others are willing to translate until they find out that the material is not as interesting as they thought it would be. They decide maybe it is not so important

Binder Page 103
and postpone the translation indefinitely.

3. Some members are not mature enough in the program to assist. You will need to understand the full meaning of a text to translate it otherwise the translation can either become senseless or alter the original meaning and intention. Try to be careful with literal translations. It is necessary to pay attention to the general meaning of the text in its original form and to its translated form in your own language, but it has to make sense in the end.

4. Remember that people come and go. A lot of people enter the program full of energy and willing to do service. However, not many assume real responsibility, especially in the long term. So, don’t give them the original material, always a photocopy. Make a list of all the people involved with the committee, as well as who is doing what. If possible, talk to them once in a while to see how things are going. And don’t forget to ask them to copy the translation onto a floppy disk for you or send to you electronically (that will make your life a lot easier).

B. Translation an Individual and a Group Effort

Try to show people that this kind of service is not something that you do completely alone, in your own time and pace and in your own way. Help them to realize that they are part of a committee and that the work of others should be taken into account.

As much as each one of us has our own style, there should be some general standards to be followed.

1. A glossary with the translation of key terms will not only facilitate the translation work, but also will help a great deal in creating a general standard.

2. Using former translations as a reference can be very helpful, especially when you find quotes from other pieces of literature (even from AA, although their translation choices are not necessary the best ones).

3. Always keep members in touch with each other, and if possible promote committee meetings once in a while to discuss problematic points.

4. As important as it is to promote group work and not rely too much upon one individual, it is advisable that you use one single person when translating a book, so that you don’t have many different translation styles in a single piece of literature, which might make the translation a little awkward.

5. If OA members are doing translation a team could be formed and one person translates the literature and another checks it. One helpful suggestion is that two members get together to review the translation. One will read the translation out loud in your own language, and the other will follow it in the English version. This way you will not only make sure the translation sounds good in your language, but can also check how accurate it is in relation to the English version.

6. As to the International Translation & Publishing Guidelines outline, it is important to have other OA members checking the translated material. Not only for the accuracy of the translation, but also to help with problems concerning the style in your own language. Of course, always ensure that the translation is exactly the same as the original.

7. In spite of all the problems we might have when using OA members as translators, they are always the best choice. No professional translator, as good as they might be, will understand our literature so well. Being so versed in the subject, we make the best translators ever. And we will certainly put much more effort and love in this task than a professional. However, if you do not have qualified members you may of course use professionals.

8. Also, make sure that you review the translation carefully after it has been delivered to you to make sure everything is correct as far as the content is concerned.

9. Finally, before printing, make a careful review for typographical errors. There is
always a little thing that can be overlooked even after a lot of work.

C. Professional Translators

Drawbacks of using OA members have been mentioned i.e. length of time for the work etc. In this respect it was stressed that where possible a professional translator was to be used. In the past OA members had been used and this had lead to major delays and even loss of texts!

In regard to professionals, it is best to give them a glossary of common terms and how you have been translating them (in case you already have something translated). When choosing a professional translator give him/her a small piece of literature to be translated. If you like the translation give him/her more work. If not try the same thing again with someone else.

No professional translators can do a better job than qualified OA members, unless we give them good Glossaries to rely on.

1. Use of a Contract
   a. It is very important the use of a Contract with the translator right from the beginning so that both parties understand fully what is being asked of the translator and in what time factor.
   b. It was suggested that the arrangements include resisting any possible attempts by the translator to put his/her name to the document or to include ‘further reading’ of an outside nature.
   c. It was stated that in circumstances where the Professional Translator does not accept the OA Glossary then 'he is not the person to do the translation – find another'.
   d. When choosing a professional translator give him/her a small piece of literature to be translated. If you like the translation give him/her more work. If not try the same thing again with someone else.

III. Glossary of Terms

It’s very important the compilation and use of a GLOSSARY – by OA members who are translating, local translators and professional translators as well as being sent off with the draft for approval. This glossary can be compiled by a dedicated sub committee of the National Language Service Board – agreed upon in group conscience and added to if necessary over time

IV. Priorities for Translation Work

To begin with, such a committee could select, in a democratic and sensible manner, what are the priorities for the translation work. Of course the first thing that you will need is the latest English version of the literature. Every once in a while the literature is revised at the World Service Business Conference and you may have an outdated version.

V. Urgent Service Material Translation

In addition, there will always be service related materials that need urgent translation. It’s very common that we receive a lot of service material in English, all of them requiring responses in a very short period of time. Usually this is because it already took a long time for the material to arrive.

1. There may be some materials that you receive and your members don’t understand what “they” are talking about. Some issues are simply not part of our lives and the OA service structure is not as obvious for the different cultures. In this case you can add footnotes explaining the issues and giving further
information regarding the context in which they were raised.

2. The best thing to do, when you don’t have much time to translate everything, is to highlight the most important information from the material and use it in your own newsletter or in other mediums to distribute information about service (e.g. Releases, announcements at the Intergroup meetings, etc.).

3. Some Intergroups have special newsletters just to summarize the most important information that come from the WSO and the Region.

IV. Region 9 Policy for Financial Support of Literature Translations

To provide funding for the professional translation and/or printing of Literature is a very important issue and reflects the feelings of the Assembly that when funds are available we should be spending them on getting the message out to those in the Region who do not speak English.

Funds would be supplied as a loan to be paid back once the service body starts to sell the translated literature in substantial quantities.

Applications will be considered by the Officers. This policy gives the Treasurer the authority to make the payments in the year and clarifies the procedures for that payment.

VII. World Service Office

Once we have translated a piece of literature we have to send it to WSO for approval. That means we have to send a copy of the translation to the trustee in charge of this committee. We shall include the year in which the original piece was published. Usually they prefer an electronic copy in Word.

VIII. Copyright Legend

Apart from the English title of the document translated, the copyright notice needs to be in the language of the translation.

“Translated and reprinted from (English name of the document, and its reference number). ________________________________ the edition with the copyright date.

IX. Reaching Out

We tried through these guidelines to share as much information and experience as we could, but we are aware that other problems may always come up, as they usually do. In this case, the best suggestion we can give is that you reach out and look for those with more experience in this area. You can do this through our Region, where there are certainly a good number of Intergroups that are surely facing or have faced similar problems.
The Delegate is a vital link in the chain of OA’s Service Structure – You have been elected by your Intergroup or Language/National Service Board to attend the Region 9 Assembly – Congratulations!

If you are lucky, your predecessor has briefed you on the job or given you a file with information in it. If not, you may need to find out a lot, very quickly. We hope this booklet helps you.

Here are some of the questions that experienced members in OA are frequently asked about Region 9 service matters. These answers may give you a clearer idea of what the role of a Delegate is in relation to the Region 9 assembly.

It must be emphasized that there are no “right answers”, only shared experience of what has worked well for others. All the suggested answers are to be found either in the Twelve Traditions and Twelve Concepts of OA, the Bylaws or the Policy Manual of Region 9. Other sources of information are Groups, Intergroups and National/Language Service Boards and previous year’s Region 9 minutes, which should be handed to you. When in doubt, don’t hesitate to ask the advice of more experienced OAs.

**REGION NINE’S STATEMENT OF PURPOSE**

Our statement of purpose reads: “Our primary purpose is to carry the OA message to the still suffering compulsive overeater, wherever they may live and whatever language they may speak. In fulfilling our purpose we should ever strive to achieve worldwide unity and common policies among all countries. With love and tolerance as our code, together we can do what we could never do alone”.

**WHERE AND WHEN DO WE MEET?**

Every year we hold an Assembly in which the officers of R9 meet with delegates from Intergroups and National/Language Service Boards from all over R9. Non-affiliated
groups (groups which are not part of an Intergroup) may also be represented.

We meet within Region 9. Intergroups and National/Language Service boards who feel able to host the event put in a bid, with the selection usually taking place 1-2 years in advance.

WHY SHOULD MY INTERGROUP SEND A DELEGATE?

Because this is the only way to get your Intergroup or NSB/LSB’s views heard by the group conscience of Region 9 as a whole. If your delegate isn’t there you cannot contribute or change anything or indeed listen and take home to your IG or NSB/LSB news and views of what’s going on elsewhere. Your absence weakens the group conscience.

WHAT QUALIFICATIONS ARE REQUIRED TO BE A DELEGATE?

Your local IG or NSB/LSB decides. Successful delegates are OAers who have previously had some active experience of service at group, Intergroup or NSB/LSB level and are familiar with the 12 Traditions, 12 Concepts of OA Service and the OA Service structure. This service is not appropriate for a newcomer. Qualifications are set by the local IG or NSB/LSBs in their bylaws.

WHAT IS THE ROLE OF THE DELEGATE?

In a word – communication. The delegate’s role is to make sure that their Intergroup understands Region 9 matters, and that the Assemblies which they attend are informed of the needs and wishes of their Intergroup or NSB/LSB. You should be aware that some service commitment may be required during the year after the Assembly. The delegate’s length of service depends on their own IG Bylaws. But it is suggested that some continuity is beneficial to both R9 and to the delegate her/himself as the first year is often a learning year. Should you wish to submit amendments to the Region 9 bylaws, please refer to Region 9 bylaws, Article XII, Section 1.

WHAT IS THE REGION ASSEMBLY COMPOSED OF?

The Assembly is composed of a Board and Intergroup and NSB/LSB delegates. The board members are elected at the Assembly for a period of 2 years and a further two year term if re-elected. The board members are: Chairman, Secretary and Treasurer. In addition, committees are formed (from the delegates present) and committee chairs are elected or nominated. The Region 9 Trustee attends the Assembly and has a voice but no vote. Visitors are welcome as observers.

WHAT IS THE PURPOSE OF THE ASSEMBLY?

• To carry the OA message of recovery within Region 9
• To re-affirm OA unity within Region 9
• To report and discuss the different activities in the Region since the last Assembly
• To vote on bylaw changes, if any proposals are on the floor
• To elect new officers and Committee chairs (every two years)
• To serve as a place where delegates from throughout the Region can get together to share their common experiences, problems and solutions
• To receive input from the BOT through the Trustee and more information and news about the WSO

WHAT SERVICES DOES REGION 9 PROVIDE?

Through several committees that operate year round, R9 offers the following services to its members, NSB/LSBs, Intergroups and groups:

Budget and Finance

The treasurer heads this committee, whose function is to project expenditure for the upcoming year, produce a budget and promote contributions throughout the Region. Details of our expenses are listed further in this document.

Bylaws

The Assembly operates in accordance with bylaws that were first laid down in the second Assembly (Munich 1985). This committee evaluates the bylaws and proposes changes/additions to ensure that they continue to meet the needs of the Assembly and the Region as a whole and are in accordance with OA bylaws Subpart B.

Translation

This committee encourages countries to translate and print literature in their own language. Region 9 Translation guidelines are available on the website of R9. A hard copy can be ordered from the R9 secretary.

Electronic Communications

This committee is responsible for the maintenance of the R9 website. The website [www.oaregion9.org] will carry news and information to R9 members. The second phase will be to translate as much material as possible to languages other than English. The R9 Newsletter will be published on the website.

This committee will encourage countries to set up websites in different languages, to facilitate communications and to provide prompt information about OA in their own language.

Twelfth Step Within

The Twelfth-Step-Within Committee was created to reach out to those in the Fellowship who still suffer and to address the relapse and recovery of our members. The committee’s purpose is to strengthen Overeaters Anonymous by sharing information and ideas that generate recovery within the Fellowship. Those who give Twelfth-Step-Within service encourage existing OA members to become or remain abstinent,
to work the Twelve Steps and to give service to the best of their ability. Doing this service increases the quantity and quality of recovery in our Fellowship, thereby assisting our own spiritual journey. Twelfth Step Within does not focus on attracting new members; it explicitly supports the ones we already have. We can all help carry the message of recovery through abstinence and working the Steps by (1) being well ourselves; (2) giving service, sponsorship and friendship; (3) encouraging membership retention; and (4) attending meetings and OA events.

Public Information

The purpose of this committee is to help ensure that OA and our programme of recovery becomes better known by the public and more accessible through methods such as press releases; community and health fairs, press and advertising, posters, billboards, community notices, telephone lines, professional outreach and public speaking.

HOW DOES THE REGION COORDINATE WITH OTHER SERVICE BODIES?

World Service Business Conference (WSBC)

The WSBC (the Conference) is an annual meeting of delegates from NSB/LSBs and Intergroups worldwide, held in April/May in Albuquerque, New Mexico, USA. The conference lasts 4 days with discussions, debates and decisions relating to OA as a whole, and represents the Group Conscience of OA as a whole.

The WSBC discusses and provides guidelines for all aspects of OA group, Intergroup and NSB/LSB activities – literature, budget, group handbook, committee guidelines, public information etc. All literature that is approved at the WSBC carries the “conference seal of approval” which means that it represents the group conscience of OA as a whole.

The WSBC also supports a Delegate fund aimed at assisting NSB/LSB and Intergroups to attend WSBC. Contributions are received from service bodies throughout the fellowship and are distributed to NSB/LSB and Intergroups who apply for assistance. Details can be received from WSO.

Board of Trustees

The BOT is elected by the Conference comprising of Trustees from the different Regions and General Service Trustees. Candidates are put forward to the Conference by the Regions. The main functions of the BOT are to represent OA as a whole, to act as guardians of the 12 Steps, 12 Traditions and 12 Concepts of Overeaters Anonymous and to promote education within the fellowship worldwide.
Region 9 Trustee

The WSBC elects a Trustee from Region 9 every 3 years. This Trustee is a member of the BOT. In addition to the Trustees duties as a member of the BOT, the Trustee carries the message of the BOT in the Region, by visiting and communicating with the NSB/LSB, Intergroups and groups within the Region and by holding service and traditions workshops in different locations in the Region. The Trustee attends BOT meetings, WSBC and WSO convention. The Trustee also attends the Region 9 Assembly as the representative of the BOT and has a voice but not a vote.

World Service Office

The WSO located in Albuquerque New Mexico, USA, provides a variety of services for the BOT, WSBC, Regions, National-/Language Service Boards, Intergroups and Groups, including:

- Clearing house for worldwide inquiries
- Providing information about OA to the still suffering compulsive overeaters, to media representatives and health professionals interested in OA’s Twelve-Step approach to recovery from compulsive overeating
- Supporting individual members and OA groups worldwide
- Registration of all OA groups, Intergroups and NSB/LSBs (available online)
- Providing everything new groups need to get started in the Group Starter Kit
- Providing office services to the BOT, WSBC and the World Service Convention, including printing and distribution of material
- Producing all the Conference and BOT approved literature
- Selling over 100 literature and recovery-related items which can be ordered from the Catalog
- Producing and printing Lifeline the monthly OA recovery magazine and mailing it to subscribers (available online)
- Producing and distributing of the quarterly newsletter A Step Ahead, and the annual Courier (newsletter for professionals) to all NSB/LSBs, Intergroups (available online)
- Website – maintaining the OA Website [www.oa.org](http://www.oa.org) or [www.overeatersanonymous.org](http://www.overeatersanonymous.org)

Region 9 Chair

The R9 Chairman is elected by the R9 Assembly for a period of 2 years and fills a variety of duties; reelection for another two-year term is possible.

- Represents R9 at WSBC and is involved in different Conference Committees and activities
- Is invited with other Region Chairs to attend one BOT meeting per year
- Attends one additional Region Chairs Committee meeting held in conjunction with an assembly of one of the other regions
• Is a member of the WSBC’s Region Chairs Committee (RCC), working in cooperation with the Chairs of the other 9 regions, meeting and communicating about the services and needs of all the regions.
• Chairs the annual R9 Assembly
• Attends different functions within the Region and may hold Service and Traditions workshops where budget allows.

HOW IS REGION 9 FUNDED?

Region 9 is self-supporting, receiving contributions from its member NSB/LSBs, Intergroups, groups and non-affiliated groups. The surplus from our conventions/assemblies is an important source of funding of activities.

WHAT ARE OUR EXPENSES?

Due to the vast geographic range of our Region, our expenses for travel and postage are much higher than other Regions and they are:
• Funding of R9 Officers to R9 Assemblies.
• Funding R9 Chairman to WSBC, partly funding to a BOT meeting, and funding the travel to a Region Chairs Committee meeting if funds are available.
• Printing of Assembly minutes, Notebook, reports, etc.
• Postage.
• Holding a delegate fund, when possible, to subsidize NSB/LSB and Intergroup delegates to attend R9 Assembly.
• Assistance to IGs, NSB/LSBs for translation costs.

WHAT AREA DOES REGION 9 COVER?

Region 9 is composed of OA groups and Intergroups and NSB/LSB / VSBs in Africa, Europe, Middle East and Western Asia.

Service Structure of OA in the Countries that make up Region 9

Binder Page 112
Overall Service Structure

This chart shows the overall flow of service within the OA Fellowship.

The most important point that I can make is that WE dictate policy, and OUR VIEWS ARE IMPORTANT. For example, WSO doesn’t tell us that we can’t distribute food plans at our meetings. Members of our meetings are sent to intergroup, and intergroup sends delegates to Region where perspectives can be heard from other members within in our region. Then, at the World Service Business Conference, the GROUP CONSCIENCE of the body as a whole decides that we have no right to distribute food plans because we are not professional nutritionists.

OA is OUR PROGRAM, but it works only if you work it! If your meeting isn’t sending a delegate to intergroup, then your meeting does not have input into the process.

We can give service at all levels, and service of all kinds is essential to our continuing recovery as a Fellowship. We would not exist if people were not willing to extend their hands.

All of us can do some kind of service every day—let’s all try to incorporate service into our daily lives by using this valuable tool of recovery.

ARTICLE XIV - TWELVE STEPS, TWELVE TRADITIONS, AND TWELVE CONCEPTS.

TWELVE STEPS

1. We admitted we were powerless over food – that our lives had become unmanageable.

2. Came to believe that a Power greater than ourselves could restore us to sanity.

3. Made a decision to turn our will and our lives over to the care of God as we understood Him.

4. Made a searching and fearless moral inventory of ourselves.

5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.

6. Were entirely ready to have God remove all these defects of character.

7. Humbly asked Him to remove our shortcomings.

8. Made a list of all persons we had harmed, and became willing to make amends to them all.

9. Made direct amends to such people wherever possible, except when to do so would injure them or others.

10. Continued to take personal inventory and when we were wrong promptly admitted it.

11. Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.

12. Having had a spiritual awakening as the result of these Steps, we tried to carry this message to compulsive overeaters and to practice these principles in all our affairs.
TWELVE TRADITIONS

1 Our common welfare should come first; personal recovery depends upon OA unity.

2 For our group purpose there is but one ultimate authority – a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.

3 The only requirement for OA membership is a desire to stop eating compulsively.

4 Each group should be autonomous except in matters affecting other groups or OA as a whole.

5 Each group has but one primary purpose – to carry its message to the compulsive overeater who still suffers.

6 An OA group ought never endorse, finance or lend the OA name to any related enterprise, lest problems of money, property and prestige divert us from our primary purpose.

7 Every OA group ought to be fully self-supporting, declining outside contributions.

8 Overeaters Anonymous should remain forever non-professional, but our service centers may employ special workers.

9 OA, as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.

10 Overeaters Anonymous has no opinion on outside issues; hence the OA name ought never be drawn into public controversy.

11 Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, films, television and other public media of communication.

12 Anonymity is the spiritual foundation of all these Traditions, ever reminding us to place principles before personalities.
TWELVE CONCEPTS

1 The ultimate responsibility and authority for OA world services reside in the collective conscience of our whole Fellowship.

2 The OA groups have delegated to World Service Business Conference the active maintenance of our world services; thus, World Service Business Conference is the voice, authority and effective conscience of OA as a whole.

3 The right of decision, based on trust, makes effective leadership possible.

4 The right of participation ensures equality of opportunity for all in the decision-making process.

5 Individuals have the right of appeal and petition in order to ensure that their opinions and personal grievances will be carefully considered.

6 The World Service Business Conference has entrusted the Board of Trustees with the primary responsibility for the administration of Overeaters Anonymous.

7 The Board of Trustees has legal rights and responsibilities accorded to them by the OA Bylaws, Subpart A; the rights and responsibilities of the World Service Business Conference are accorded to it by Tradition and by OA Bylaws, Subpart B.

8 The Board of Trustees has delegated to its Executive Committee the responsibility to administer the OA World Service Office.

9 Able, trusted servants, together with sound and appropriate methods of choosing them, are indispensable for effective functioning at all service levels.

10 Service responsibility is balanced by carefully defined service authority; therefore, duplication of efforts is avoided.

11 Trustee administration of the World Service Office should always be assisted by the best standing committees, executives, staffs and consultants.

12 The spiritual foundation for OA service ensures that;
   a. no OA committee or service body shall ever become the seat of perilous wealth or power;
   b. sufficient operating funds, plus an ample reserve, shall be OA’s prudent financial principle;
   c. no OA member shall ever be placed in a position of unqualified authority;
   d. all important decisions shall be reached by discussion, vote and whenever possible, by substantial unanimity;
   e. no service action shall ever be personally punitive or an incitement to public controversy; and
   f. no OA service committee or service board shall ever perform any acts of government, and each shall always remain democratic in thought and action.

The roles the Banker undertakes can be undertaken by the Region 9 Treasurer if they are living in Great Britain.
The Banker’s service is overseen by the Region 9 Treasurer and works in conjunction with the Treasurer. The Banker receives all 7th Tradition Contributions, and sends out receipts in reply (usually by email). Arranges cheques to be signed and forwarded to the registered Region 9 bank account signatories. Is ideally a signatory for the Region 9 bank account. Maintains a list of all incoming and outgoing financial transactions of the bank account and sends this to the Region 9 Chair and Treasurer regularly. Carries out duties on behalf of the Treasurer. SECRETARY:
The main responsibilities of the Secretary are to produce and mail minutes of all Region 9 Assemblies, and maintain updated listing of R9 Intergroups and National/Language Service Boards. The procedure for this is as follows:

MINUTES OF THE ASSEMBLY:
1. The Chair will send out an agenda prior to the Assembly, and will include reminders to all Officers and presenters of topics to bring with them to Assembly a written report for inclusion with the minutes.
2. A tape recorder may be used if required.
3. At the R9 Assembly, the Secretary needs to collect copies of all reports to be included with the minutes. It is also necessary that all motions are given to the Secretary in writing. It is important to record the name of the proposer and seconder, and the count of the voting on each motion.
4. The time scale for producing the minutes is short, and it is helpful to have copies of all paperwork to be included with the minutes in your possession, when coming home from the assembly, to ensure the minutes are distributed in the timescale set out in the bylaws.
5. Please see the ground rules for current wording for Minutes Approval Committee. Email the draft minutes to the R9 chair and the Minutes Approval Committee to check. Once any amendments are made and the Chair and MAC have agreed them all, then the minutes can be distributed. The minutes will include all reports and revised copies of the R9 Bylaws and P&P Manuals if possible.
6. The minutes are then distributed to all registered service bodies in R9 and to those members present at the Assembly by email where possible or in the post. A copy is also posted to the website. (2012p)

UPDATE OF LISTS Another duty for the Secretary is to see that an up to date list of all R9 Intergroups and National/Language Service Boards is mailed periodically to each R9 officer. This is compiled from information which the Intergroups may send directly to the Secretary and also from the information which the World Service Office sends directly to the Secretary. The World
OA Region 9 Policies and Procedures – A summary of Continuing Effects Motions

Service Office will send a list of all Intergroups and meetings in R9 to the Secretary periodically, as well as all enquiry letters they may have received. The letters are forwarded to the Outreach chair who will send off letters welcoming new meetings. It is helpful for the Secretary to inform the R9 Trustee or Chair of new Intergroups forming in the Region. It is useful to keep in contact with the R9 Chair on a regular basis. (1999h)
Move that reports and documents be delivered to the registered representatives prior to Assembly. (2002h)
Addresses are to be provided on the contact list attached to the assembly minutes. Any person not willing to have their address published, should advise the secretary at the Assembly, who will not publish their address. (1999a)
Move to adopt the Region 9 Minutes to a manageable size. The Region 9 Minutes will contain: Date/Time and place of Region 9 Assembly, names of Officers, number of representatives present, record of action taken on the minutes of the previous meeting, the exact wording of each motion as it was voted on, and whether it passed or failed, the maker’s name. If the vote counted, the count should be included. Any notice given at the meeting. Points of order and appeals, and Committee reports. A note that the revised version of Region 9 Bylaws and P & P can be obtained from the Region 9 web site or can be requested from the Region 9 secretary. To avoid confusing the Minutes with other Region 9 Assembly materials, they will be called Region 9 Minutes. (2005a)
UPDATING OF OTHER R9 DOCUMENTS
The Secretary will periodically check and update various R9 documents e.g. Vital Link, where necessary.

PARLIAMENTARIAN
The Parliamentarian is appointed by the R9 Chair to assist the Chair at the R9 Assembly in the smooth running of the business. The Parliamentarian has no opinion on any of the issues under debate but will help to guide the Chair and representatives present of Robert’s Rules of Order, the R9 Bylaws, Ground Rules and Traditions. The costs of travel and accommodation are to be agreed in the budget of the year prior. (2012a)
REGION 9 REPRESENTATIVE
A Region 9 Representative is an OA member chosen by an Intergroup/NSB/LSB/unaffiliated group1 meeting within Region 9 to be its representative during the Region 9 Assembly, and to carry out all the associated tasks of a liaison between the Assembly and the represented group. Groups are encouraged to choose their representatives for a 2 or 3 year period, so that the representative is able to learn the Assembly procedures and stand for regional elections.
1 According to the Region 9 Bylaws Article IV, Section 2f and Section 2(II)c, a representative of an unaffiliated group may be granted a voice and even a vote if and only if this is approved by the majority of the Assembly.
The group might decide to send its representative to the Region 9 Convention as well.
1. Registration for the Assembly/Convention.
OA Region 9 Policies and Procedures – A summary of Continuing Effects Motions

After the Assembly/Convention details have been decided upon by the hosting group and sent out to service bodies by the Region 9 Secretary, it is the responsibility of the representative to:

a) Register for the Assembly with the Region 9 Secretary (using the form provided by the Region), taking care to do so before the registration deadline stated on the form. If the representative wishes to participate in the Convention, they should register for that event following the instructions provided by the hosting service body.

In addition to that, the representative can ask the region for financial assistance, in case the cost of participating in the Assembly prove to be too high for their service body to cover. The request has to be made within 2 months after receiving the Assembly invitation. Note that the funds allocated for representative assistance are limited and there is no guarantee that the support will be granted to all those applying.

b) Book Hotel Accommodation – the representative may choose to stay at the place where the Assembly and Convention are held (details will be provided by the Region), which usually proves the most convenient option, but if they wish, they may also find a different place to stay.

c) Organise and book the travel arrangements.

2. Receive the Assembly Materials Binder before the Assembly.

Materials relating to the business that is to be carried out during the Assembly will be sent out before the Assembly takes place. On the Assembly registration form the representative will be asked whether they wish to receive an electronic or a printed copy of the materials. The representative should read those materials (they will include information on the motions that are to be voted upon) and, if possible, discuss them with the service body they represent. The service body has the right to instruct its representative according to the way they should vote. However, as new information and amendments to the motions may appear during the Assembly, most service bodies allow their trusted representatives to make the final decision as to the voting during the Assembly itself.

3. Committee Participation.

The representatives are encouraged to join one of the following Region 9 committees: Budget and Finance, Public Information (2012b), Bylaws, Electronic Communications, Literature and Translations (2012q) Twelfth Step Within. Although committee meetings take place during the Assembly, in most cases members are required to work for the committee throughout the year.

4. Assembly Participation.

The representative is to attend all of the business sessions of the Assembly in order to vote and participate in the debates.

5. Standing for Elections

During every Assembly, elections for positions of Committee Chairs and members of Region 9 Board are held (see Region 9 Bylaws, Article VII, Section 3 and Article IX, Section 3). A representative that feels willing to serve at region level is welcome to put themselves forward as a candidate. They may want to discuss such a decision with the Region Chair and their sponsor.

6. Reporting back to the Service Body.

The representative is supposed to report the matters discussed by the Assembly back to their service body. The report should also cover the Assembly workshops, as well as any ideas and goals for the future. The form of this report is up to the representative and their service body. Many representatives prepare written reports and present them during workshops.

7. Hand your service to the next representative.

Encourage your group to choose its next representative a year before your term is due to end. During that year, allow the person chosen to have a closer look at your work and assist them when their term begins. (2010d)
III REGION 9 COMMITTEES
COMMITTEES RELEVANT FOR REGION 9
The following committees will operate: Budget and Finance, Bylaws, Electronic Communications, Literature and Translations. (2012q), Twelfth Step Within (2008j), Public Information. (2012b)

LITERATURE AND TRANSLATIONS COMMITTEE (2012q) Will be the centre for information flow about translation and printing of OA material, both for matters of policy and of process. (1997b)

ELECTRONIC COMMUNICATIONS Will be the centre for information flow about electronic communications, both for matters of policy and of process. (1997b)

TWELFTH STEP WITHIN The purpose of this committee is to offer support and guidance to new and existing groups and service bodies. (2008j)

PUBLIC INFORMATION Will help OA groups and service bodies to spread the word about OA’s programme of recovery to professionals, media and the public through attraction not promotion in the area covered by Region 9

BUDGET AND FINANCE Will deal with all financial and budgeting matters relating to OA R9

BYLAWS Will maintain and update the R9 bylaws and the Policy and Procedure manual, will assist in wording and review all bylaw amendments and new business motions that are to be presented to the assembly. (2012c)

The Chairperson of the Bylaws Committee is elected at the R9 Assembly and serves for a period of two years with the option of being re-elected for a further two years. The duties would include:
- Chairing committee meetings and reporting back to the R9 Assembly and Board when appropriate
- Ensuring that the Secretary gets written Bylaw reports at the beginning and end of Assembly
- After the revised Bylaws and P & P Manual have been checked, furnishing the Chair, Secretary, Treasurer and Web Committee Chair with an electronic of the up-dated Bylaws and Policy & Procedure Manual in time to have these available on the web site at the same time as the minutes of the Assembly (in accordance with Region 9 Bylaws Art VII S2 Duties 2 – within 45 days of the Assembly). (2008h)

- Sending a printed copy of all proposed Bylaw Amendments to the Chair of the Board to be included in the mailing with the Agenda for Assembly
- Gathering an active committee to work throughout the year, reviewing the Bylaws and preparing new or revised motions where necessary. These members may be from anywhere within R9 but it is vitally important to encourage people from the Chair’s local Intergroup who will be at hand to do the practical work
- To update the P&P Manual annually. While updating the manual make any spelling, punctuation or grammatical corrections as necessary so that the intent of the policy is unchanged. To ensure that the layout of the document is consistent and clear. (2008g)

It is helpful to remember that when the Chairperson presents amendments she/he will have to defend them and so it can be helpful to have notes from the committee as to intent - one may not always remember why the committee selected a particular wording. (1999h)

TRUSTEE Motion adopted for proposal as an amendment to WSBC bylaws "An applicant for R9 trustee shall live in R9 and also have at least one year's service on the board or committee level of the R9 assembly." (1991k)

IV REGION 9 TRANSLATIONS

ASSEMBLY ASSISTANCE WITH TRANSLATIONS

At the assembly; the Literature and Translations committee (2012q) and/or Region 9 Trustee will assist with filling in and explaining the licensing agreement forms to get translated literature approved. (2008k)

Each year at the Assembly we will set aside time in the agenda for issues regarding translating literature. This may include a workshop and/or assisting with questions regarding translating literature, understanding the different licensing agreement forms, filling in licensing agreement forms, copyright-issues and other issues related to translating literature. If there are not sufficient Region 9 Board members residing in Great Britain to cover all three signatories, then the Banker may also be a signatory and up to 2 (two) additional OA members chosen by the Region 9 Assembly or if this is not possible appointed by the Region 9 board to carry out this service. Those signatories should be chosen carefully for longevity and service in OA, 12 month’s minimum abstinence, no bankruptcy history and a prompt response to requests for cheques to be signed. The decision over what cheques are to be signed still resides with the Treasurer. If it is possible under the bank’s rules for the Region 9 board members who reside outside of Great Britain to be signatories then they may still be signatories but due to the length of time it would take to post cheques abroad it is still advisable to have sufficient signatories in Great Britain. (2012f)

ELECTION OF BANKER
Should anyone standing for the position of Banker not be present at the assembly at which their nomination is taking place, it is preferable (if it can be arranged) if the nominee makes themselves available for a live communication (e.g. by Skype) with the Assembly at the time of the election. The R9 board will give instructions to all nominees for this position about the method and timing of this communication. If it is possible, then the Assembly delegates should be able to ask questions of (and hopefully “see”) the nominees to assist them in making their decisions as to who to elect to this vital position. The election process will continue as normal if this method is not possible. (2012h)

INTRODUCTION

It is noted that all motions appearing in this summary were adopted by the group conscience of the Overeaters Anonymous Region Nine Assembly. Furthermore, until changed, these motions set self-imposed limits on the Region.

Continuing Effect Motions

1983a The primary purpose of the Region 9 Assembly is the same as that of all OA service - to carry the OA message to the still suffering compulsive overeaters, wherever they live and whatever language they speak. In fulfilling our purpose, we should ever strive to achieve worldwide OA unity and common policies among all countries. With love and tolerance as our code, together we can do what we could never do alone.

1983d In the event of an Intergroup having on hand funds raised for Region 9, these can, with permission, be used for Region 9 purposes in that country without going through central account.

1985b Financial assistance be granted to delegates travelling to Region 9 Assemblies. Draft claim form approved.

1988d That the mailings to all member groups and Intergroups, as in article 5(ii) of the Bylaws, shall include applications for assistance to be returned within 2 months. To restrict assistance to Intergroups at present, and to include a registration form with this mailing.

1989b That Assembly be extended to two full days.

1989h Region 9 chairman to attend every World Service Conference.

Each delegate here will be responsible for undertaking some liaison activity with the IG or NSB they have adopted. Each delegate will then submit a written report to the Region 9 Chair within 6 months of Assembly.

1996g When new groups emerge in R9 the Chair and Trustee will encourage neighbours to help each other and use money from the liaison budget to promote service visits from an existing IG or NSB to these new areas of OA activity.

form part of the work of the full Assembly. One member will be appointed to give a presentation on Region 9 planning at each Assembly.

1997f Region 9 to propose new business policy motion for WSBC 1998 to rescind WSBC policy 1982a that states “Overeaters Anonymous does not have any literature for specific eating disorders other than compulsive overeating. We welcome in love and fellowship all who have the desire to stop eating compulsively”.

1997h Anorexic/Bulimic issue After a long and moving discussion the following position statement was adopted:

We believe our literature is not yet inclusive; it is especially important that the first contact with a newcomer (of all types) be inclusive.

The term “compulsive eater” is more inclusive than “compulsive overeater.”

Some members feel that the term “abstinence” is the biggest obstacle to an inclusive approach.

The majority feel that what we have in common is our thinking.

Some feel that the real differences exist but that it is possible to find common ground within the existing literature.

1999a Addresses are to be provided on the contact list attached to the assembly minutes. Any person not willing to have their address published, should advise the secretary at the Assembly, who will not publish their address.

1999b The annual Region 9 Assembly will be held within Region Nine.

1999e To suggest to all Region 9 Intergroups and National/Language Service Boards that they set a goal for annual Contributions to R9. The suggested amount will be reviewed at the annual Assembly.

- Attends functions within the Region, where budget allows
OA Region 9 Policies and Procedures – A summary of Continuing Effects Motions

- Represents R9 at the World Service level, including at the WSBC
- Represents R9 in the Board of Trustees Intergroup and Region committee (IGAR)
- Works with the R9 Trustee on some of the issues directly concerning the Region
- Chairs the R9 Board
- Is responsible for ensuring that an Officer Nomination form is sent to each Intergroup and Delegate in an election year
- Is responsible for sending a Bid form for hosting a R9 Assembly to Intergroups and Delegates on election year

TREASURER:
The Treasurer is elected by the Region 9 Assembly for a period of two years and fills a variety of duties:
- Chairs R9's Budget and Finance committee
- Prepares an annual budget for approval of the assembly
- Maintains records of all Income and expenses incurred by the different activities in the Region
- Provide an annual report of all contributions received, as well as income and expenses
- Maintains the R9 bank account and records of monies kept by different functions in other countries (satellite banking)
- Serves on the R9 Board

SECRETARY:
The main responsibilities of the Secretary are to produce and mail minutes of all Region 9 Assemblies, and maintain updated listing of R9 Intergroups and National/Language Service Boards. The procedure for this is as follows:

MINUTES OF THE ASSEMBLY:

1. The Chair will send out an agenda prior to the Assembly, and will include reminders to all Officers and presenters of topics to bring with them to Assembly a written report for inclusion with the minutes.

2. It is useful to record the Assembly with a tape recorder. A small hand held machine is quite adequate.

3. At Assembly, the Secretary needs to collect copies of all reports to be included with the minutes. It is also necessary that all motions are given to the Secretary in writing. It is important to note the name of the proposer and seconder, and the count of the voting on each motion.
OA Region 9 Policies and Procedures – A summary of Continuing Effects Motions

4. The time scale for producing the minutes is short, and it is helpful to have copies of all paperwork to be included with the minutes in your possession, when coming home from the assembly, as there may not be time to use the postal system and still get the minutes out in the timescale set out in the bylaws.

5. Typing the actual minutes is time consuming. It's probably a full day's work. When the first draft is complete, it is useful to fax a copy of the minutes to the chair, or another officer who was present at the Assembly for any comments. It's also useful to have a local member proof read the minutes for spelling or grammar mistakes. The minutes will include all reports, and revised copies of the R9 Bylaws and P&P Manuals, if possible.

6. Once the minutes are printed and bound in a simple binder, one copy can be taken to the post office where it is weighed and the postage costs for the different parts of the world assessed. Then one can buy the stamps and do the mailing from home, if that is suitable. The minutes are expensive to produce, so it is always helpful to keep a balance of monies in a satellite account if the Secretary is not in local contact with the Treasurer.

UPDATE OF LISTS Another duty for the Secretary is to see that an up to date list of all R9 Intergroups and National/Language Service Boards is mailed periodically to each R9 officer. This is compiled from information which the Intergroups may send directly to the Secretary and also from the information which the World Service Office sends directly to the Secretary. The World Service Office will send a list of all Intergroups and meetings in R9 to the Secretary periodically, as well as all enquiry letters they may have received. The letters are forwarded to the Outreach chair who will send off letters welcoming new meetings. It is helpful for the Secretary to inform the R9 Trustee or Chair of new Intergroups forming in the Region. It is useful to keep in contact with the R9 Chair on a regular basis.

BYLAWS COMMITTEE The Chairperson of the Bylaws Committee is elected at the R9 Assembly and serves for a period of two years with the option of being re-elected for a further two years. The duties would include:

- Chairing committee meetings and reporting back to the R9 Assembly and Board when appropriate
- Ensuring that the Secretary gets written Bylaw reports at the beginning and end of Assembly

Amended 2008h

- Sending a printed copy of all proposed Bylaw Amendments to the Chair of the Board to be included in the mailing with the Agenda for Assembly
- Gathering an active committee to work throughout the year, reviewing the Bylaws and preparing new or revised motions where necessary. These members may be from anywhere within R9 but it is vitally important to encourage people from the Chair's local Intergroup who will be at hand to do the practical work
OA Region 9 Policies and Procedures – A summary of Continuing Effects Motions

Amended 2008g

It is helpful to remember that when the Chairperson presents amendments she/he will have to defend them and so it can be helpful to have notes from the committee as to intent - one may not always remember why the committee selected a particular wording.

1999l The Translation guidelines submitted by the Translations committee were adopted.

2000b Region 9 will register/purchase the domain name &#8222; OARegion9.org Cost: £20/year ($30/year to buy domain name); usually paid 2 years in advance (monthly) + £50 for source (to keep it running), DNS Service (£80 per year?) (Website now [www.oaregion9.org](http://www.oaregion9.org))

This document will mostly concentrate on the Assembly part and leave the Convention part more open for your service body to arrange.

Bylaws

Extract from Article V of Bylaws (following 2010 Assembly)
Section 1
Region 9 shall hold one Assembly per year.

A Region 9 Convention may also be held in conjunction with the Region 9 Assembly if the hosting Intergroup or National/Language Service Board is in a position to do so.

Section 2
Notification of this Assembly shall be mailed or emailed to all member groups, Intergroups, unaffiliated groups and National Service Boards at least six months prior to the date of the Assembly. The notification will include an invitation to the Assembly from the organising committee, the registration form to send a delegate, a blank new business motion, and bylaws amendment motion.
OA Region 9 Policies and Procedures – A summary of Continuing Effects Motions

Even though the Bylaws state that the notification need to go out 6 months prior to Assembly – there will be considerable organization beforehand and so it is best for the Region to let the fellowship know about the Assembly arrangements as early as possible to help facilitate travel arrangements and keep travel costs to a minimum etc and thus encourage attendance. The following are some suggestions:-

TIMETABLE

2 YEARS IN ADVANCE

- Service bodies need to be thinking about whether they can host the Region 9 Assembly a few years in advance of the assembly they might host. The service body will need to consider whether they have enough willing members to arrange what is necessary.
- The service body will need to do some research on the venue as to times available / costs / facilities / travel arrangements some two years in advance of the assembly. The venue needs to accommodate the assembly room, the committee rooms, representatives accommodation. It does not need to be lavish. It does however, need to accommodate OA members food plans, be clean and functional and reasonably easily to access by public transport.
- The service body will bring this information to the Region 9 Assembly that same Autumn – to be considered by the Assembly along with other service bodies.
- The Assembly will consider the date and venue suitability as well as the committee arrangements together with other service body proposals at that stage and will discuss and vote on all the proposals.
- The place and date of the Region 9 Assembly will be at the latest established at the Assembly prior.
- If successfully elected as R9 Assembly host, and once the date is confirmed then the committee need to book the venue as soon as possible.

ONE YEAR PRIOR

- The hosting service body committee should then begin to put in place the various details of the Assembly and Convention. They will need a theme, speakers, packs of materials for the Convention if necessary, timetables for the weekend, meeting rooms etc.
- Confirm the theme with the Region 9 Board

NINE MONTHS PRIOR

- Ensure the flyer, invitation and registration forms has been prepared and sent to Region 9 Board 6 months in in advance of the Assembly

SIX MONTHS PRIOR

- Over the next few months, work on the finer details of the assembly, arrange speakers and any materials you need (voting cards, badges, handouts, etc), exact timetable for convention, liaise with venue, and receive registrations.

SIX WEEKS PRIOR

- Liaise with R9 Secretary regarding numbers of attendees
OA Region 9 Policies and Procedures – A summary of Continuing Effects Motions

ASSEMBLY GUIDELINES AND R9 BOARD RESPONSIBILITIES:
• The Region 9 board are responsible for organizing and assembling the materials that the representatives will need for the assembly itself. The hosting intergroup do not need to get involved in the details of the assembly itself. However, the Chair and some of the organisers of workshops will often need various ‘handouts’ and schedules. There is usually 20 – 30 in attendance at the Assembly and to carry 20 – 30 copies of each piece of paper is often not possible due to air craft weight restrictions etc. If possible please arrange with the Chair if anything is needed to be copied – ahead of the Assembly.
• Once the venue has been organized – the Region 9 Board members and OA Region 9 representatives will book their own accommodation directly with the venue and sort out who they are sharing a room with. Traditionally members will share rooms whenever possible to save costs.
• The hosting service body decides on the theme for the Convention (check with R9 Board).

FINANCES:
• Region 9 will pay the expenses for attendance of the Region 9 Board (Chair, Secretary & Treasurer) which will include travel and accommodation and food for the Assembly & Convention. (Wed – Sun)
• Assembly registration fee will be collected by the Region 9 treasurer and will go to Region 9 – this will go towards the various expenses that the Region covers and will be included in the income as covered in the Region Budget.
• The service body that organizes the Assembly will collect any Convention registration fee following the Assembly. This should cover any costs that the Convention will incur. The Convention has historically made a considerable contribution to Region 9 after the Assembly / Convention by the hosting service body which is part of or the entire surplus for the Convention.
• To keep costs down often documents are printed by the hosts to save on luggage weight costs, if you are asked to print items, please consider printing each document on to a different colour paper as it helps delegates to easily identify documents

SUB COMMITTEE
• As you will be working as a Committee and are part of a Fellowship, please follow the Traditions, making all decisions by group conscience and unanimous agreement wherever possible. Members are expected to liaise closely with each other, consulting with the rest of the Committee when making decisions that affect the Assembly and/ or OA as a whole.
• A subcommittee to organize this sort of event is ideally made up of 4-6 OA members (less people means a lot of work for only a few people, too many and it becomes unwieldy)
• It is useful to have a chair for the committee to oversee the timetable and liaise with the R9 Board and a secretary to make notes of all telephone discussions / meetings / decisions made
• If you correspond by email, it is helpful to keep to one subject per email and to ensure that the subject is clear
VENUE REQUIREMENTS

- With regard to the room for the assembly meeting and any ancillary rooms for the committee meetings – it is normal for the Hosting service body to try to arrange with the hotel / venue that these rooms will be free as part of the organization of the weekend. This needs to be given careful consideration as there are no funds in the Region 9 budget to cover this aspect. We arrange the hotel in the autumn partly to accommodate the fact that it is cheaper than the summer. Hotels often accept that if a group takes their full quota of rooms – that is enough to then grant them use of the necessary meeting rooms to hold the assembly.
- Establish the no of representatives registered with the Region 9 Secretary approximately 6 weeks before the Assembly. Keep in touch with the Secretary after this date for late registrations. (Recently – this can be as many as 25 attendants to the Assembly + visitors).
- Organise the meeting room so that there is a meeting table space and chair available for each representative – arranged in an oblong style so that the Chair, Parliamentarian, Secretary and Treasurer can be seated at the ‘top’ of this oblong and thus see the representatives for voting and recognition purposes.
- Several people may be using laptops and will need access to power points (please do not agree to any additional rooms costs though without discussing with R9 board first)
- Each representative needs a card in front of them that shows their name, service body and / or Country that they are representing - that will be visible in front of them while they are seated. (NB It is not a requirement but in the past sometimes these cards have had the National Flag on them also).
- The representatives will also require a name badge that they will be required to wear to all meetings in order to be recognized. This will normally be on a string so that it can be hung around the neck or on a clip so that it can be pinned to the representative’s clothing. The hosting service body prepares these at the same time as the cards for the places.
- The Chair will normally require a flip chart and pens and flip chart pad to use at the Assembly. This will need to be organized by the hosting service body –There maybe call for one / two microphones depending on the room.
- Occasionally the Chair / Secretary / Treasurer may require an overhead projector. - Once again there is not a budget for these items in the Region 9 finances so it is a good idea that if there is a charge - that we know what they are ahead of time so that the Region 9 Board can make the decision of whether to have these services or not. Often hotels try to raise their revenue / re-coup their expenses by charging for these sorts of services – Region 9 avoid this if at all possible and at best pay only a minimum.
- Committee Meetings are usually held in a different room from the Main assembly room and often are several small rooms so that each committee has enough space to work without disturbing each other
- The R9 Board hold a meeting at the end of the Assembly, please ensure there is a suitable room for up to 6 people

FOOD

- Be very clear from the outset about our specific needs (e.g. people bringing in their own food, buffet style meals) and ask the hotel how they would propose to cater for them.
OA Region 9 Policies and Procedures – A summary of Continuing Effects Motions

- Discuss a menu, first with the committee and then with the hotel. Usually sugar-free, most sauces served separately, and some wheat-free, dairy-free and vegetarian options.
- Served buffet style works best for all meals. A label in front of dishes on the buffet is helpful saying e.g. “Chicken Stir fry, sugar and wheat free”. It is normal to give the hotel clear guidelines with regard to the food and to monitor this closely near to the date preferably by agreeing menus.
- Meal times need to be discussed with venue and R9 Board so that the timetable can be worked out
- It is also useful to provide details to delegates about proximity to supermarkets etc

FLYERS

- Put at least 2 contact numbers / 2 email addresses on the flyer and preferably 3. One mobile, one landline and two email addresses is ideal.
- Put an address on where people can send the completed delegate registration forms and cheques.
- On the booking form put in a section where they can indicate if they are booking for the Assembly / Convention or Both
- Put a deadline to receive registrations / book with hotel
- Put details of the nearest train station and airport, plus the venue postcode for those driving with satellite navigation.
- On the flyer put some directions and or a map

REGISTRATION

- It is obviously preferable to get as many registrations in early as possible, although be prepared for some at the last moment
- Be prepared for quite a lot of enquiries, (often asking about things that you have carefully written on your flyer!)
- Keep a note of who is paying for which day(s) as this obviously affects the money distribution at the end
- Have a cash box with a float at the Assembly / Convention itself
- Name badges which also indicate which service body they are representing or if R9 Board member or visitor

SPEAKERS

- The Board will be on call to take part and speak at workshops during the Convention. They have been elected as R9 Board members and act in that capacity – but they are first and foremost OA members in recovery. Please use that recovery. It is important that service is ‘seen’ by those attending the Convention – albeit not in a grandiose way. When OA officers are seen to take part in the business part as well as the convention – it spreads the message of the necessity of service. Often – there are motions passed at the Assembly which need circulating to the fellowship as soon as possible. Please consider this when scheduling your Convention workshops / meetings.
- Speakers may need to be timed, have a timer available in case
- It is best for speakers to be qualified by the committee prior
OA Region 9 Policies and Procedures – A summary of Continuing Effects Motions

- Please ask speakers stay within the spirit of the Traditions, e.g., no reference to outside issues (such as mentioning by name books, therapies, religions, other weight loss programmes, or undue focusing on such outside issues)
- Some thoughts for speakers when they introduce themselves:
  1) How long have you been in programme?
  2) How long have you been abstinent?
  3) Define this abstinence, what it is for you.
  4) Outline your physical recovery, weight loss / (gain if anorexic), how long maintained
  5) Describe the daily actions that you take in order to maintain this recovery.
  6) Then move onto the topic, following the format of what you were like, what happened, and what you are like now as it relates to the topic. OA members especially like to hear about what you actually did or do to keep well or to change in respect of the topic.

VOTING AND TIMEKEEPING
- At the Assembly votes will need to be taken and possibly ballots which need to be counted by people who are not eligible to vote. Please discuss this with R9 Board and see if you need to have any coloured card on hand, voting ballots, boxes to collect ballots in and non-voting members able to assist with this.
- A non voting member with a stopwatch and a bell available as a timekeeper is very useful especially during the Assembly

VISITORS
Visitors are welcome to attend the Assembly and Convention, at the Assembly it is important that they are not seated with the delegates at the table but preferably in a row / seats behind or at edge of room. Visitors should leave the assembly room if they wish to talk to one another.

CONVENTION
The convention is best described by those who have attended a number of conventions, and we recommend speaking to previous organizers.
It is worth considering the following:
- Early Bird and Night Owl Meetings (during assembly as well as convention) – the easiest way to arrange these is with a Pocket Reference Guide and a list of topics (see Strategic Plan if you need inspiration)
- Translating Speakers into your local language
- Free Time
- Entertainment on Saturday evening, this has been done in many forms – plays, meetings, celebration of recovery, free time, dancing, singing, all sorts!
OA Region 9 Policies and Procedures – A summary of Continuing Effects Motions

STRATEGIC PLAN

We have a Strategic Plan – many in OA don’t know what it is or what we are trying to achieve in having it. – This can be used as the theme of the Convention by incorporating just one aspect of that plan –

- Strong Meetings,
- Committed Service Bodies,
- Public & Professional awareness
- Financial Health.

Has the OA bicycle been translated into your language? – In the past we have displayed two big poster drawings of this if possible please by a willing local volunteer – one in your language and one in English!

AFTERWARDS

Please consider the best way to get feedback from R9 Board and delegates so that we can offer any suggestions for things that do or don’t work to future hosts. Please ensure if you get feedback from delegates or your sub committee that this information is then given to R9 Board

Business Meetings

There were 5 business meetings altogether. A total of 209 eligible voters - an increase from last year! We all know that the World Service Convention 2013 will be in Cleveland, Ohio the end of August, but it was announced that the WSC 2016 will take place in Boston, Massachusetts. We will be finishing our 5 year Strategic Plan by the end of 2013, and we will start a new Strategic Plan (2014 - 2016) on Abstinence, Working all 12 Steps, and Individual Responsibility to Carry the Message. There will be a Young Person’s Packet coming out this summer. We had time for Ask-It-Basket. Some questions included were about OA Fund Raising; Abstinent Sponsors; and those of us doing service on the board or intergroup and gaining weight. We heard reports from the Trustees and Staff; on the different Regions; Committee Reports; and Workshop Reports. Tradition 7 was collected and we brought in a total of $4600.

**Region Chairs and Trustees Meetings**

The meetings with the region chairs included a final review for the Forum; responses to the Survey; goals for the coming year; unaffiliated groups; WSBC Delegate qualifications; green dot mentor program; region comparisons; and region chair's responsibilities for the coming year. The meetings with the trustees mainly focused on the Strategic Plan, and this will continue in August at our 2nd Region Chair's Committee meeting.
I must say – for a group this size, we had a large percentage of R9 Delegates coming to the center mike during the business meetings. We had a voice! At the Banquet Skit, we also had a presence of R9 members participating. And many R9 delegates stayed till the end of the dancing on Saturday night at the Banquet. We like to rock!!

It was another successful WSBC, with a lot to take home to our service bodies. More reports will be available, including material from the Forum, on the OA Website.

Thank you for giving me the privilege to serve Region 9.

Susan

Region 9's Report:

I, once again, stressed the importance of communication within Region 9 – the Region 9's monthly messages, R9 newsletters, emails, OA Bulletin, skype meetings, ...

The work that has been done within the R9 committees - new Tradition 7 Item (wristband), the continuous updating of the R9 Website, the ongoing R9 Sponsor List, an OA Glossary, Motions & Amendments to be brought forth at our R9 Assembly & Convention, and our new Public Information Postcard.

I especially spoke about this year’s R9 Assembly and that our Delegate Assistance Fund is helping 7 countries/Service Bodies attend the 2013 R9 Assembly & Convention. I also pointed out that this was only possible because of the generous financial assistance received by Region’s 5 & 7.

World Service Convention 2013:

This year the World Service Convention also took place (this is a convention which takes place once every 3 years). This started on Thursday, August 29 till Sunday, September 1, entitled "Recovery To Rock Our World". Over 900 OA members from all 10 Regions attended. From R9, we came from Israel, Denmark, Belgium, and Russia. The first R9 Trustee (from the USA) was there!

There were 79 different sessions to choose from, including: "That’s What Friends Are For" (Fellowship); "Pledging My Love" (Commitment); "Amazing Grace" (Conscious Contact with God); "Always On My Mind" (Abstinence); "Suspicious Minds" (Resentments – a writing workshop); "Through the Years" (Longtimers Panel); plus sessions devoted to the Steps and to the Principles. All the titles of the sessions were named after songs, which also came up a lot during the entertainment on Saturday night.

There were also Audio Sales; OA Bookstore; Boutique (where we sold our R9 magnets and wristbands); International lounge (where R9 had an informal gathering); Meditation room; OA meetings’ room; Special Focus meetings’ room; Virtual Services lounge; and Virtual Services meetings’ room. Of course there was a location for Registration and a Hospitality room.

We had a Grand Opening Friday evening - there was a lot of focus on the countries which make up R9, and the translations which have already been done from the OA Literature. On Saturday night we had the Dinner/Entertainment/Dance. It was amazing to hear the keynote speaker, and this is where the "Rock & Roll" was heard - during the entertainment & dance. At the Grand Closing, we heard a very touching share from the speaker.

I must say that it was an honor to represent R9 at the 2nd RCC meeting and at the WSC 2013. To pass on information about our region, and to bring back so much. On a personal level, giving service is so good for my recovery, and seeing members I know, or got to meet for the first time is always exciting for me.

I thank you all for giving me this opportunity as Region 9 Chair to take part in the meetings and convention.
