

Translations chairs report 2012

The Translations Committee decided at the Region 9 Assembly in the year 2011 to do as following in the year 2012.

The Permanent goal for the Translating Committee is to request the countries to:

- 1) Translate 1 piece of literature every year.
- 2) Emphasize the availability of financial support at Reg 9 and WSO and how to apply for it.
- 3) Have countries in Reg 9 that speak the same language to meet and work together about translations.

December 2011 we send out a newsletter about how important it is to translate literature.

In the spring of the year 2012 we send out the Translating List to ask the countries to complete the list. We also requested the countries to translate at least one piece of literature once a year.

Again in the summer of 2012 we contacted the countries enclosing the Translating List and requested them to update the list.

Then my computer broke down and I had to ask Patrick to help me to finish the List. Thank you for that service Patrick.

Now the List is updated until the month of June 2012.

The Translations Committee is working on a Glossary List so words as for example Higher Power, abstinence, sponsor ect.

Thank you very much for allowing me to do this service.
