

## Region 9 Translation Committee 2020 -2021 Report

**Members:** Esti Israel, Chair; Vasiliki Greece, Trustee; Prune France, Secretary; Ehsan (Iran); Mahnaz (Iran); Regula (Switzerland); Kika (Greece); Cristina (Greece); Gudrun Kristin (Iceland); Ricki (Israel), Fidana (Russia)

We created a WhatsApp group and an email group for easier communication. We also held some meetings via Zoom.

Our goals for this year were as follows:

1. Establish Translation Committees in countries or LSBs that do not have one or have a contact who is in charge of translation. A letter to encourage that goal has been sent to all our contacts.
2. Continue updating the lists.
  - **Glossaries** – make sure that there is an updated glossary for each language.
  - **Digitally translated Literature at WSO** – encourage bodies to send digital literature to WSO and to check the existing list with the contacts to see if it is correct.
  - Make a list of **links** where to find literature in different languages.
3. A letter encouraging translation of pamphlets that WSO has given priority such as " Where Do I Start " and " Temporary Sponsors': First Twelve Days" has been sent to all contacts.
4. A letter asking to update the translation chart has been sent to all our contacts.
5. Answers and feed back to the letters were not so good and we hope to do better next year. I would like to point out Iran who was cooperative with the translation work.

6. I would like to thank all the members of the Committee, our Trustee and the officers of Region 9 for their help during the past year.

Love in service

Esti
